Mr. and Mrs. Hamre:

Thank you for your message regarding the farm taps matter, docket NG16-014. I understand your concern about the possibility of losing your natural gas supply. I encourage you to follow along as this case is reviewed and information is gathered by the commission. Here is a link to the online, public docket:

Since this is an open docket before the commission, your message and my response will be posted under Comments and Responses for my fellow commissioners and others to read.

If you haven't already read it, here is an Informational Guide prepared to assist farm tap customers in understanding the filing of this docket and the PUC's process, posted on the commission's home page:
