SOUTH DAKOTA PUBLIC UTILITIES COMMISSION  
DOCKET NO. NG17-010  
DATA REQUEST SET 1  
DATED JUNE 15, 2017**

- 1-3. In the application on page one it says that MDU has 29 transportation customers. In Attachment B to the application it says MDU has N/A customers who will be increased, decreased, or unchanged. Explain why Attachment B is different and doesn't list 29 customers under one of those categories.**

**Response:**

The Company currently has 29 customers taking transportation service in South Dakota. However, with the change to the imbalance provision, the impact to these customers is unknown as the Company is unable to determine each customer's response to the change. Therefore, the Company did not indicate the number of customer bills that may increase or decrease as a result of the Company's application.
