RE: NG19-012 – In the Matter of the Application of MidAmerican Energy Company for Authority to Continue its Incentive Gas Supply Procurement Plan in South Dakota

Dear Ms. Edwards:

On December 30, 2019, MidAmerican Energy Company (“MidAmerican”) filed Request for Continuation of the Incentive Gas Supply Procurement Plan to request authorization from the South Dakota Public Utilities Commission to extend its Incentive Gas Supply Procurement Plan for an additional three years. After careful consideration, MidAmerican is no longer seeking continuation of this program and respectfully requests withdrawal of this filing in the above captioned matter.

Accordingly, MidAmerican respectfully requests the Request for Continuation of the Incentive Gas Supply Procurement Plan be withdrawn without prejudice.

MidAmerican remains committed to providing affordable gas services to its South Dakota customers. On behalf of MidAmerican, we extend our sincere thanks to the Commission for its consideration of this request.

Respectfully submitted this 23rd day of March, 2020.

Respectfully submitted,

MIDAMERICAN ENERGY COMPANY
