1.1. In its 2020 proposed budget, MidAmerican shows a carryover balance of \$16,000 but in 2019 spent none of its budgeted carryover balance. What does MidAmerican anticipate using budgeted carryover balance on to ensure the carryover balance does not continue to increase?

MidAmerican Energy will retire the 2019 carryover amount in the 2020 budget by sponsoring the 2020 South Dakota Governor's Sportsmen's Showcase at \$15,000 and the Girl Scouts – Dakota Horizons Believe in Girls (BIG) STEM Event at \$1,000.
