

Docket No. NG22-005

ATTACHMENT A

Effective with usage on or after November 15, 2022, MidAmerican is implementing an interim rate increase as part of the May 18, 2022, rate filing currently under consideration by the South Dakota Public Utilities Commission. You previously received notice of this filing and the proposed increase in either your June or July 2022 bill. This interim increase, which does not apply to the gas supply portion of your bill, is subject to refund pending the Commission's final decision. The proposed increase is necessary to ensure the safety and reliability of the natural gas system and to support our growing communities.
