RE: INTERIM RATE REFUND COMPLIANCE FILING IN SOUTH DAKOTA DOCKET NO. NG22-005

Dear Ms. Van Gerpen:

MidAmerican Energy Company (MidAmerican) submits this Interim Rate Refund Compliance Filing in the above-referenced docket.

MidAmerican began posting the interim rate refunds to customer accounts on May 1, 2023, with all refunds posted by May 5, 2023. As outlined in the interim refund plan filed with the Commission on March 16, 2023, the total refund obligation includes the interim rate refund plus seven percent interest.

Page four of the attachment to this filing shows a summary by customer class of the actual amounts returned to customers. Pages one through three provide the supportive summary and monthly information. As shown in the attachment, the under refunded amount was \$26, and will be returned to customers through the Cost of Purchased Gas Adjustment. Additionally, per the March 16, 2023, interim refund plan, refunds of less than \$5.00 that could not be returned due to persons who are no longer a MidAmerican customer will also be returned to remaining customers through the Cost of Purchased Gas Adjustment. A total of \$4,417 was associated with finaled accounts with a refund of less than \$5.00 that could not be transferred to another active account. MidAmerican returned this amount to customers through an adjustment to July's Cost of Purchased Gas Adjustment revenues. Accordingly, a total of \$4,443 under or unrefunded interim rate revenues will have been distributed to customers through the Cost of Purchased Gas Adjustment.
