RE: MidAmerican Energy Natural Gas Rate Increase — Docket
NG26-006

We, the undersigned MidAmerican Energy customers, are submitting this written objection to the proposed natural gas rate increase in Docket NG26-006.

Under SDCL 49-34A-12, we respectfully request that the South Dakota Public Utilities Commission:

- Consider our objection to the proposed rate increase.
- Suspend the proposed rate increase while it is reviewed.
- Hold a public hearing so affected customers have an opportunity to be heard.

We understand that MidAmerican Energy must maintain a safe and reliable natural gas system.

We also believe customers should have an opportunity to understand the need for the proposed increase, how the requested amount was determined, and its effect on South Dakota households.

We respectfully ask the Commission to fully review the proposal and provide customers an opportunity to participate through a public hearing.

Sincerely,

Krystine and William Reavis
