Re: RM09-002 – In the Matter of the Adoption of Rules Regarding Renewable, Recycled and Conserved Energy

Dear Ms. Van Gerpen:

Draft rules regarding renewable, recycled and conserved energy were recently filed by the Commission in RM09-002. The Commission is seeking comment on these draft rules and set June 9, 2010 as the date for comments.

We have had requests for an extension of the time for filing comments. Thus, we will extend the deadline for comments on the draft rules until June 30, 2010.

Sincerely,

Rolayne Ailts Wiest
Commission Counsel
