Docket Number: RM 13-001 Last Name: Sestak First Name: Terry Comments: The time of only 24 hrs. to respond to a sales agreement which is not satisfactory is not sufficient. Sales made while harvesting or other busy times may require urgent attention. The states surrounding SD all have longer periods, and we should also. Please consider the five day period as brought forward by Farmers Union, this time frame would give a reasonable time to look the agreements over. Thank you for your efforts. Sincerely, Terry
