**RE: RM25-001- In the Matter of the Adoption of Administrative Rules**

Ms. Mohr,

Attached for filing, please find a version of the Proposed Rules with incorporation of LRC edits and SDTA comments.

LRC's edits were limited to style and form. SDTA's suggested changes were to further refine ARSD 20:10:33:27 to make the language more specific. In addition, as a result of further review of the rules included in this rulemaking docket, it became apparent that ARSD 20:10:32:53 may be obsolete and, thus, it may be more appropriate to repeal rather than amend that rule.

These suggested edits, like the rules package in general, have not been voted on by the Commission and are merely being provided in to allow all interested persons to follow the discussion at the August 14 Commission Meeting.

Sincerely,

Kristen N. Edwards
