RE: TOLL FREE PHONE SYSTEM

DEAR MR. BURG,

I AM A CITIZEN OF THE MONTROSE & HUMBOLDT AREA. OUR COMMUNITIES HAVE FOUND A FREE OF CHARGE (LONG DISTANCE), DIRECT DIAL PHONE SYSTEM TO SIOUX FALLS AND BACK HAS BEEN APPROVED FOR OTHER SURROUNDING COMMUNITIES.

WITH OVER 80% OF OUR RESIDENTS WORKING IN SIOUX FALLS, WE FEEL THERE IS A GREAT NEED TO BE ABLE TO KEEP IN TOUCH WITH OUR CHILDREN AND FAMILY MEMBERS. PERSONALLY, I SPEND CLOSE TO \$120.00 PER MONTH TO KEEP IN TOUCH WITH MY FAMILY IN SIOUX FALLS.

FOR THESE REASONS, WE HAVE CIRCULATED A PETITION IN BOTH COMMUNITIES AND HAVE GENERATED A VERY GOOD RESPONSE WHICH HAS RESULTED IN 190 SIGNATURES. I HAVE BEEN INFORMED BY SIOUX VALLEY PHONE COMPANY THAT THERE IS APPROX 900 PHONE NUMBERS IN THE 363 PREFIX. THIS WOULD MORE THAN COVER THE 10% NEEDED.

WE ARE REQUESTING WITH YOUR HELP AND THE SIOUX VALLEY PHONE SYSTEM WE BE CONSIDERED FOR FREE OF CHARGE CALLING TO SIOUX FALLS AND BACK.

PLEASE FEEL FREE TO CALL ME AT (605) 363-3128 AS I AM NOT FAMILIAR WITH ALL OF THE REQUIRMENTS OR POLICIES.

THANK YOU FOR YOUR TIME AND CONSIDERATION IN THIS MATTER.

SINCERELY,

Edward H Berreth

U S WEST'S PETITION FOR LEAVE TO INTERVENE

U S WEST Communications, Inc. (U S WEST), through counsel, pursuant to ARSD 20:10:01:15:02 requests this Commission that it be permitted to intervene and be granted status as a party in this matter. As grounds, U S WEST states as follows:

ORDER GRANTING
INTERVENTION

TC99-055

On May 10, 1999, the Public Utilities Commission (Commission) received a petition from Edward H. Berreth on behalf of the Montrose, South Dakota and Humboldt, South Dakota citizens requesting Extended Area Service between the Sioux Falls, South Dakota exchange of U S WEST and the Humboldt-Montrose exchange of Sioux Valley Telephone Company.

On May 13, 1999, the Commission electronically transmitted notice of the filing and the intervention deadline of May 28, 1999, to interested individuals and entities. U S WEST Communications, Inc. (U S WEST) filed a Petition to Intervene on May 26, 1999.

The Commission has jurisdiction in this matter pursuant to SDCL Chapters 1-26 and 49-31, specifically 1-26-17.1, 49-31-2, 49-31-3, 49-31-4, 49-31-7.1, 49-31-11, and 49-31-12.

At a regularly scheduled meeting of June 8, 1999, the Commission found that the Petition to Intervene was timely filed and demonstrated good cause to grant intervention. It is therefore

ORDERED that the Petition to Intervene of U S WEST is hereby granted.

Dated at Pierre, South Dakota, this 22nd day of June, 1999.

REQUEST FOR CONFIDENTIAL TREATMENT OF INFORMATION

Pursuant to ARSD 20:10:01:41, Sioux Valley Telephone Company ("Sioux Valley"), through its General Manager, Dennis Law, requests that the document enclosed in a sealed envelope and appropriately marked, be afforded confidential treatment as provided for in ARSD 20:10:01:40 and 20:10:01:42 through 44. In support of this request, Sioux Valley states as follows:

1. The document in the attached sealed envelope is Sioux Valley's data regarding extended area service ("EAS") between the Humboldt-Montrose and Sioux Falls exchanges, which contains, for each month from March to July 1999, the following information: total calls placed; lines with one call, two calls, three or more calls, and the total lines that called Sioux Falls per month; number of business access lines, residential access lines, and total access lines in the exchange; the average calls per line; the percent of lines making one call, two or more calls, and three or more calls; and the minutes of use ("EAS Data").

2. The name, address and telephone number of the person to be contacted regarding this request is:

Dennis Law
General Manager
525 East 4th Street
PO Box 98
Dell Rapids, SD 57022-0098
Telephone: 605-428-5421

3. A trade secret is broadly defined in SDCL § 37-29-1(4) as information that derives economic value from not being generally known to persons who can obtain economic value from its disclosure.

4. The length of time for which confidentiality is being requested for the EAS Data is five years.

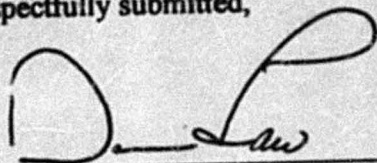

5. If the EAS Data becomes public, competitive providers would gain important knowledge regarding Sioux Valley's business operations between the Humboldt-Montrose and Sioux Falls exchanges. Particularly, competitive providers would learn the number of customers Sioux Valley has in these exchanges, whether these customers have residential or business lines, the number of calls placed on such lines, and how often the lines are used. Such knowledge would assist competitors in making competitive decisions as to what services to market to customers in the Humboldt-Montrose and Sioux Falls Exchanges. These types of consequences meet the broad definition of a trade secret found in SDCL § 37-29-1(4). The South Dakota Public Utilities Commission has adopted ARSD 20:10:01:39, which mandates confidential treatment for trade secrets. Such treatment is warranted here.

6. In addition, telephone companies treat the type of information provided in the EAS Data as confidential and take efforts to prevent its disclosure. They take this precaution because the information could be used to determine competitive strategies. The EAS Data would thus have obvious economic value to potential competitors. The information contained in the EAS Data is not a matter of public interest. Rather, it is strictly confidential and private information. The only fact that is of public interest is that the South Dakota Public Utilities Commission's tests for determining an adequate interest in EAS have been satisfied. That fact can be disclosed without disclosing the underlying data.

7. Accordingly, Sioux Valley requests that confidential protection be afforded to the attached document.

Dated: August 30, 1999

Respectfully submitted,
