Mr. William Bullard, Jr.
Executive Director
South Dakota Public Utilities Commission
500 East Capitol
Pierre, South Dakota  57501

Re:  Tariff Revision of Network Communications International Corp.

Dear Mr. Bullard:

Enclosed is the original of a tariff revision of Network Communications International Corp. The purpose of this revision is to remove Debit Card as a service offering in the State of South Dakota. The Company has no Debit Cards issued to customers in South Dakota.

Because of the Company's decision to withdraw Debit Card from their service offerings in South Dakota, the Company respectfully petitions the Commission to return the Company's $25,000 Surety Bond at this time.

Please acknowledge receipt of this filing by returning, date-stamped, the extra copy of this cover letter in the stamped self-addressed envelope which is provided for that purpose.

Questions regarding this filing may be directed to me at (407) 740-8575. Thank you for your assistance in this matter.

Sincerely,

Thomas M. Forte
Consultant to Network Communications International Corp.

Longview, Texas 75601
SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS

Certain terms used generally throughout this tariff, particularly those for specialized common carrier communication channels furnished by the Company over its facilities are defined below:

Access - Access to NCIC's services are provided by one or more or a combination of the following methods: presubscription in equal access areas, direct access, 800, 950 and 10XXX dialing sequences.

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Aggregator - Any person, excluding local exchange carriers and cellular service providers, that, in the ordinary course of its operations, make telephones available to the public or to transient users of its premises, for intrastate telephone calls using a provider of operator services.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the Service User so the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification ("ANI") may be used as or in connection with the Authorization Code.

Authorized User - A person or entity that accesses the Company's services. An Authorized User is responsible for compliance with this tariff.

Automatic Numbering Identification (ANI) - A type of signaling provided by a local exchange telephone company that automatically identifies the local exchange line from which a call originates.
SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT’D.)

Billed Party - The person or entity responsible for payment of the Company’s Service(s). For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate an intrastate call. In the case of a Travel Card call or other credit card call (herein collectively the “Card”), the person or entity responsible for payment is the Customer of record of the Travel Card or other valid and acceptable Card used. In the case of a collect or third party call, the person or entity responsible for payment is the person responsible for payment for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the intrastate call. In all Operator Assisted calls not involving Cards, third party calls, collect calls or Room Charge calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone services at the telephone used to originate the intrastate call.

Calling Card Call - A Direct Dialed or Operator Assisted call for which charges are billed to the originating telephone number, but to a LEC or interexchange carrier calling card.

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - The term "Channel" denotes a path for electrical transmission between two or more points, the path having a bandwidth designed to carry voice grade transmission.

Common Carrier - A company or entity providing telecommunications services to the public.

Credit Card Call - A Direct Dialed or Operator Assisted call for which charges are billed not to the originating telephone number, but to a credit commercial card, such as Visa or MasterCard.

Dated: August 3, 2000

Issued by: William L. Pope - President
606 East Magrill Street
Longview, Texas 75601

Effective: August 4, 2000
SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Customer - The term "Customer" denotes the person, partnership, association, joint stock company, trust, corporation, or governmental entity or any other entity that is responsible for payment of charges and for compliance with this tariff.

Customer - Provided Facilities - The term "Customer - Provided Facilities" denotes all communications facilities provided by the Customer and/or Authorized User other than those provided by the Company.

Equal Access - Has the meaning given that term in Appendix B of the Modification of Final Judgment entered August 24, 1982, in United States v. Western Electric, Civil Action No. 82-0192 (United States District Court, District of Columbia), as amended by the Court in its orders issued prior to October 17, 1990.

Equal Access Code - An access code that allows the public to obtain an equal access connection to the carrier associated with that code.
SECTION 1 - TECHNICAL TERMS AND ABBREVIATIONS, (CONT'D.)

Exchange - The term "Exchange" denotes a unit established by the Local Exchange Carrier for the administration of communications service in a specified area that usually embraces a city, town or village and its environs. It consists of one or more Central Offices together with the associated facilities used in furnishing communications service within that area.

Local Exchange Carrier ("LEC") - The term "Local Exchange Carrier" denotes any telephone company that provides local telephone service to Customers within a defined area.

Measured Charge - A charge assessed on a per minute or incremental basis in calculating a portion of the charges due for a completed call.

NCIC - Network Communications International Corp., the issuer of this tariff.

Operator Assisted Call - An intrastate telephone connection completed through the use of the Company's operator.

Operator Service Charge - A non-measured (fixed) charge that is added to a measured charge in calculating the total tariff charges due for a completed Operator Assisted call.

Operator Services - Any telecommunication service that includes, as a component, any automatic or live assistance to a Customer or its Authorized User to arrange for billing or completion, or both, of an intrastate interLATA telephone call through a method other than:

(i) automatic completion with billing to the telephone from which the call originated; or

(ii) completion through an access code used by an Authorized User, with billing to an account previously established with the carrier by the Authorized User.
SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.4 Liabilities of Company, (Cont'd.)

2.4.3 NCIC shall be indemnified and held harmless by the Customer and Authorized User from and against all loss, liability, damage, and expense, including reasonable attorney’s fees, due to claims for libel, slander, or infringement of copyright or trademark in connection with any material transmitted by any person using the Company's services and any other claim resulting from any act or omission of the Customer or Authorized User relating to the use of the Company’s facilities.

2.4.4 The Company shall not be liable for any act or omission of any other entity furnishing to the Customer facilities or equipment used with the service furnished hereunder; nor shall the Company be liable for any damages or losses due in whole or in part to the failure of Customer-provided service, equipment or facilities.

2.4.5 [Reserved for Future Use]
SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.8 Payment for Service, (Cont'd.)

2.8.2 Payment for Service and Charges, (cont'd.)

(J) In the event the Company must employ the services of attorneys for collection of charges due under this tariff or any contract for special services, Customer shall be liable for all costs of collection including reasonable attorney's fees and court costs.

(K) NCIC will not bill for unanswered calls in areas where Equal Access is available, nor will NCIC knowingly bill for unanswered telephone calls where Equal Access is not available. In the event that an unanswered call is inadvertently billed due to the unavailability of Equal Access, NCIC will cancel all such charges upon request or may credit the account of the Billed Party. Any call for which the billed duration exceeds one minute shall be presumed to have been answered.

(L) In the event the Customer is overbilled, an adjustment will be made to the Customer's account and the Customer will be deemed to not owe overbilled amount. If the Customer is underbilled, the Customer is allowed to either pay in lump sum or in instalments.

(M) [Reserved for Future Use]

(N) A Customer has 180 days from the date of a bill to dispute a portion of their bill, notwithstanding Section 2.8(2)(A) through (L) above. While the charge is in dispute, the Customer shall only be required to pay the undisputed portion of their bill in full.

TELECOMMUNICATIONS

TC00-141 In the Matter of the Application of FairPoint Communications Solutions Corp. for a
Certificate of Authority to Provide Telecommunications Services, Including Local
Exchange Services, in South Dakota.

FairPoint Communications Solutions Corp. is seeking a Certificate of Authority to provide local exchange
and interexchange telecommunication services in South Dakota. The applicant will provide various types
of services including Message Telephone Service, Wide Area Telephone Service, WATS-like services,
Foreign Exchange Services, private lines, tie lines, switched and special access service, cellular service,
PCS service, local switched service, unbundled local links or ports, switching services, information.
In the Matter of the Filing by Network Communications International Corp. for an Amended Certificate of Authority to Provide Telecommunications Services in South Dakota.

Network Communications International Corp. (NCIC) was granted a certificate of authority to provide telecommunications services in South Dakota on February 29, 2000, subject to a $25,000 surety bond. On August 3, 2000, NCIC submitted a petition to withdraw Debit Cards from its service offerings in South Dakota in return for the Company's $25,000 surety bond.

In the Matter of the Filing for Approval of a Resale Agreement between Qwest Corporation and Continental F.S. Communications.

A Resale Interconnection Agreement between Qwest Corporation (Qwest) and Continental F.S. Communications (Continental) was filed with the Commission for approval. The agreement is a negotiated agreement which sets forth the terms, conditions and prices under which Qwest will provide services for resale to Continental for the provision of local exchange service. Any party wishing to comment on the agreement may do so by filing written comments with the Commission and the parties to the agreement no later than October 24, 2000. Parties to the agreement may file written responses to the comments no later than twenty days after the service of the initial comments.

In the Matter of the Filing for Approval of a Resale Agreement between Qwest Corporation and Choctaw Communications, Inc. d/b/a Smoke Signal Communications.

A Resale Interconnection Agreement between Qwest Corporation (Qwest) and Choctaw Communications, Inc. d/b/a Smoke Signal Communications (Smoke Signal) was filed with the Commission for approval. The agreement is a negotiated agreement which sets forth the terms, conditions and prices under which Qwest will provide services for resale to Smoke Signal for the provision of local exchange service. Any party wishing to comment on the agreement may do so by filing written comments with the Commission and the parties to the agreement no later than October 24, 2000. Parties to the agreement may file written responses to the comments no later than twenty days after the service of the initial comments.
A Wireless Interconnection Agreement between Qwest Corporation (Qwest) and WWC License, L.L.C. (WWC) was filed with the Commission for approval. The agreement is a negotiated agreement which sets forth the terms, conditions and prices under which Qwest will provide certain ancillary functions and additional features to WWC for the provision of telecommunications services and also sets forth the terms, conditions and prices under which Qwest and WWC agree to provide Type 2 interconnection and reciprocal compensation for the exchange of traffic between themselves for the purpose of offering telecommunications services. Any party wishing to comment on the agreement may do so by filing written comments with the Commission and the parties to the agreement no later than October 24, 2000. Parties to the agreement may file written responses to the comments no later than twenty days after the service of the initial comments.

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE FILING BY
NETWORK COMMUNICATIONS
INTERNATIONAL CORP. FOR AN AMENDED
CERTIFICATE OF AUTHORITY TO PROVIDE
TELECOMMUNICATIONS SERVICES IN
SOUTH DAKOTA

ORDER GRANTING
AMENDED CERTIFICATE OF
AUTHORITY

TC00-142

The South Dakota Public Utilities Commission (Commission) granted Network Communications International Corp. (NCIC) a certificate of authority to provide telecommunications services in South Dakota on February 29, 2000, subject to a $25,000 surety bond. NCIC offers the services of a switchless telecommunications reseller. A tariff was filed by NCIC. On August 3, 2000, NCIC submitted a petition to withdraw Debit Cards from its service offerings in South Dakota in return for the Company's $25,000 surety bond.

At its November 2, 2000, meeting, the Commission considered NCIC's request for an amended certificate of authority. Commission Staff recommended granting the amended certificate of authority, subject to the condition that NCIC not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission.

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that NCIC has met the legal requirements established for the granting of an amended certificate of authority. NCIC has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves NCIC's request for an amended certificate of authority, subject to the condition that NCIC not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. (Commissioner Schoenfelder dissenting) As the Commission's final decision in this matter, it is therefore

ORDERED, that NCIC's request for an amended certificate of authority is hereby granted, subject to the condition that NCIC not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission.

Dated at Pierre, South Dakota, this 11th day of November, 2000.

BY ORDER OF THE COMMISSION:

[Signature]
JAMES A. BURG, Chairman

[Signature]
PAM NELSON, Commissioner

LASKA SCHOENFELDER, Commissioner
