CONSUMER COMPLAINTS

CT02-023 In the Matter of the Complaint filed by Leroy Hill Law Office, Belle Fourche, South Dakota, against Qwest Corporation Regarding Billing, Poor Service, Disconnect and Phone Book Listing.

Complainant's representative requested dual service in January 2002, while he was in the process of moving his business. When he requested that the dual service be stopped, Qwest disconnected his home telephone service. In May 2002, Complainant's representative received a bill from Qwest for \$461.21. When Qwest was contacted about the billing, he was instructed to not pay the bill as he was still being billed for dual service. On June 17, 2002, Complainant's business phone service was disconnected. When Qwest was contacted about the disconnect, he was advised that Qwest was attempting to disconnect the dual service and that service would be restored. On this same day he received a disconnect notice from Qwest indicating that he needed to pay \$515.99 or his service would be disconnected on June 20, 2002. When a customer attempted to contact Complainant's representative, the customer was not able to find the Complainant's business phone listing in the Qwest phone book. Complainant has had its business listed in the phone book since 1962. Complainant's representative states that because his number and new address are not listed in the phone book, he has lost business. Complainant's representative has had to spend money for advertising to try and notify consumers of his new location and telephone number. Complainant's representative does not know what remedy will make him whole, but he does request a substantial sum from Qwest to reimburse him for the unnecessary advertising.

Sanborn and Sancom objects to this Request. Reasons for Objection: Sanborn and Sancom objects to providing the requested information to Intervenor at this time because said information has been submitted to the Commission as proprietary in nature and constituting trade secrets of the company, pursuant to the Commission's confidentiality rules. Accordingly, said information is not subject to discovery outside of the procedures set forth in said rules.

(Response to REQUEST NO. 2):

Sanborn and Sancom objects to this request. Reasons for Objection: (1) The request is overly broad, vague, and production as requested would be unduly burdensome and work a hardship on Sanborn and Sancom; (2) the information requested goes beyond what is of record in this docket; and (3) some or all of the documents that support the switched access cost study may be proprietary in nature and constitute trade secrets of Sanborn and Sancom, and there is no protective order in place to protect the proprietary nature of these documents. Prior to discovery of such information, the Commission's confidentiality rules would need to be followed.

(Response to REQUEST NO. 3):

Sanborn and Sancom objects to this request. Reasons for Objection: Sanborn and Sancom objects to providing the requested information to Intervenor at this time because said information has been submitted to the Commission as proprietary in nature and constituting trade secrets of the company, pursuant to the Commission's confidentiality rules. Accordingly, said information is not subject to discovery outside of the procedures set forth in said rules.

4. Any increase of the rates charged for switched access services will directly and immediately affect the pecuniary interests of S&S Communications as it will naturally affect S&S Communications' operating expenses. However, without access to the above-described documents, S&S Communications cannot meaningfully participate in this important proceeding.

WHEREFORE, S&S Communications respectfully requests access to the above-described documents which are claimed to be confidential information.

Dated this 4th day of September, 2002.

**SOUTH DAKOTA PUBLIC
UTILITIES COMMISSION**

IN THE MATTER OF THE ESTABLISHMENT OF SWITCHED ACCESS REVENUE REQUIREMENT FOR SANBORN TELEPHONE COOPERATIVE AND SANCOM, INC.

Docket No. TC02-073
MOTION TO DISMISS AND MOTION FOR EXTENSION OF TIME TO RESPOND TO SECOND DISCOVERY REQUEST

SANBORN TELEPHONE COOPERATIVE AND SANCOM, INC. (Company), through undersigned counsel, respectfully requests the Public Utilities Commission (Commission) to dismiss S&S Communications (S&S) as Intervenor in this proceeding, pursuant to ARSD 20:10:01:15.05, based on the reasons stated herein. Pending a hearing and ruling on the Motion to Dismiss, Company further requests an Extension of Time to Respond to Intervenor's Second Discovery Request, dated June 12, 2003.

A. Background

On or about June 18, 2002, Company filed its 2001 Intrastate Switched Access Cost Study for approval by the Commission. S&S petitioned to intervene in said docket on July 5, 2002, and S&S was granted intervention by the Commission on July 26, 2002.

In an ancillary proceeding, the Commission Staff opened a separate docket against S&S (TC02-166) that began as a Motion for an Order to Show Cause why S&S should not be found in violation of the Order Granting Certificate of Authority. This docket was commenced on September 27, 2002, and was followed by a series of additional motions from Staff and hearings in front of the Commission. On July 2, 2003, the Commission revoked S&S's Certificate of Authority to provide telecommunications services in South Dakota.

B. Argument for Dismissal of Petition to Intervene

The rules governing intervention are found in ARSD 20:10:01:15.02-05. ARSD 20:10:01:15.02 allows a person who is not an original party to a proceeding to petition to intervene if said person is one “who claims an interest in a pending proceeding.” The petition itself must “set out clearly and concisely the facts supporting the petitioner’s alleged interest in the proceeding,” as well as the position of the petitioner, to the extent known. (ARSD 20:10:01:15.03). The Commission is granted some discretion in acting upon a petition to intervene:

A petition to intervene shall be granted by the commission if the petitioner shows that the petitioner is specifically deemed by statute to be interested in the matter involved, that the petitioner is specifically declared by statute to be an interested party to the proceeding, or that by the outcome of the proceeding the petitioner will be bound and affected either favorably or adversely with respect to an interest peculiar to the petitioner as distinguished from an interest common to the public or the taxpayers in general. ARSD 20:10:01:15.05.

Thus, overall, while intervention is generally liberally granted by the Commission, the rules do require a showing of a peculiar interest in the outcome of the proceeding, in absence of a statutorily granted right of intervention.

S&S filed its Motions to Intervene in all of the Local Exchange Carriers’ (LEC) dockets in July of 2002. S&S did not point to any statutorily granted right to intervention, so the first part of ARSD 20:10:01:15.05 is inapplicable. S&S alleged that as a switch-based interexchange carrier, it must purchase certain switched access services from the LECs. As a purchaser of switched access services, S&S claimed that “any increase in the rates of such services will directly and immediately affect the pecuniary interests of S&S ... as it will naturally affect S&S[’s] ... operating expenses.” (S&S Petition to Intervene). S&S noted some general concerns with regard to ineligible costs being included as recoverable costs, and also that the Commission’s decision in the cost

study dockets would “affect the customers of switched access services in general.” (S&S Petition to Intervene).

In early August of 2002, the Commission “found that S&S’s Petition(s) to Intervene was timely filed and demonstrates good cause to grant intervention,” and entered an Order to that effect in each of the LECs’ cost study dockets.

At the time the Petitions were filed by S&S and the Orders granted by the Commission were entered, the facts and application of the rules no doubt supported S&S’s intervention. Since that time, however, the facts have changed. As a result of the Commission’s Order of July 2, 2003, revoking S&S’s Certificate of Authority, S&S no longer has any pecuniary interest in the outcome of the cost study dockets. The change of facts is apparent:

1. S&S is no longer a switch-based interexchange carrier, and S&S no longer provides intrastate and interstate message telecommunications services to its subscribers.
2. S&S no longer purchases switched access services from LECs.
3. Because S&S no longer purchases switched access services from LECs, any increase in rates will not have any effect on S&S’s pecuniary interests or on its operating expenses.

Therefore, S&S can no longer demonstrate that “by the outcome of the proceeding [it] will be bound and affected either favorably or adversely with respect to an interest peculiar to the petitioner . . .” (ARSD 20:10:01:15.05). S&S will not be affected by the outcome of the cost study dockets at all, as it is no longer in business.

S&S’s general allegation of interest based upon the “important and complex issues” that arise in tariff filing is insufficient to establish the level of interest re-

quired under the rules to grant and maintain intervenor status, nor is S&S's claimed interest based on the direct and immediate effect of switched access services on customers in general sufficient to sustain intervenor status. In fact, ARSD 20:10:01:15.05 states that to grant intervention to a petitioner, the petitioning party must demonstrate a peculiar interest that is distinguishable "from an interest common to the public or to the taxpayers in general."

In addition, S&S's intervention in this docket has not promoted a timely hearing and disposition of this case by the Commission. By way of example, the Commission Staff has requested S&S to provide a list of specific issues it will raise at the hearing. The purpose of Staff's request was to determine the amount of time to set aside for a hearing. To date, however, S&S has not responded to Staff's request, so a final hearing date has still not been scheduled. Instead of providing information and identifying specific issues to the Commission that will aid the Commission in its decision making process, S&S has continued to request information from companies without any stated purpose.

Because S&S can no longer demonstrate that it has an interest in the cost study docket, and because S&S's intervention has failed to facilitate the Commission's decision making role, S&S should be dismissed as an intervenor in this docket.

C. Argument for Extension of Time

Prior to the hearings on June 30, 2003, and July 2, 2003, that culminated in the Commission revoking S&S's Certificate of Authority, S&S served Second Discovery Requests upon Company. The Discovery Requests are dated June 12, 2003, and under the rules of civil procedure, responses are due within thirty days.

Since the service of the Second Discovery Requests, S&S's Certificate of Authority was revoked, which is the reason for Company's Motion to Dismiss. In the

event the Commission grants Company's Motion, responses to the Discovery Requests would not be necessary. Therefore, Company requests that the Commission extend the time to respond to the Second Discovery Requests. If the Motion to Dismiss is denied, Company requests thirty days from the date of the Commission's ruling in which to respond to the Discovery Requests.

WHEREFORE, Company respectfully moves the Commission to dismiss S&S as an Intervenor and party in this docket, and to grant an extension of time to respond to discovery.

approval by this Commission. Thereafter, S&S Communications filed S&S Communications' Petition to Intervene. S&S Communications' Petition to Intervene was granted.

On July 26, 2002, S&S Communications served Intervenor's Discovery Requests. On August 26, 2002, *thirty days* after Intervenor's Discovery Requests had been served, Petitioner served its Response to Intervenor's Discovery Requests in which Petitioner objected to each and every one of the Requests for Production. Because Petitioner did nothing more than object to the discovery requests, Petitioner's Response could have been served immediately thereby saving the parties and the Commission thirty days in this process. Instead, Petitioner waited the full thirty days to produce nothing.

On September 4, 2002, just over one week after receiving Petitioner's "responses" to Intervenor's Discovery Requests, S&S Communications served S&S Communications' Request for Access to Confidential Information.

After hearing very little from counsel for Petitioner over the next two months, on November 15, 2002, counsel for S&S Communications mailed counsel for Petitioner a letter stating as follows:

As you know, during the first week of September 2002, I served numerous Requests for Access to Confidential Information. Over the next two months, I heard very little from you in this regard until recently, when you stated in an e-mail that your clients might be willing to disclose this information if it was only reviewed by S&S Communications' expert, Porter Childers. I am writing to simply state that my patience is at an end, and that, therefore, if you do not advise me that this information can be reviewed by Mr. Childers by 12 p.m. on Monday, I will take immediate action, which may or may not include renewed Requests for Access to Confidential Information.

See Attachment A (copy of letter from Burke to Rogers dated November 15, 2002) (emphasis added). This letter prompted a response and, after some discussion, counsel for S&S Communications received a draft of a Protective Agreement on December 5, 2002.

Approximately eight days later, on December 13, 2002, counsel for S&S Communications faxed a copy of a revised Protective Agreement to counsel for Petitioner “with various modifications.” See Attachment B (copy of letter from Burke to Rogers dated December 13, 2002). Counsel for Petitioner faxed another revised Protective Agreement to counsel for S&S Communications on December 18, 2002.

On December 31, 2002, counsel for S&S Communications faxed yet another revised Protective Agreement to counsel for Petitioner. See Attachment C (copy of letter from Burke to Rogers dated December 31, 2002). After counsel for S&S Communications did not hear from counsel for Petitioner during the two weeks that followed, counsel for S&S Communications wrote a letter to counsel for Petitioner stating as follows:

A couple of days ago I called your office and was informed that you would call me back in a few minutes. I did not hear from you later that day, nor did I hear from you yesterday. As a result, I called again yesterday and left another message. In the meantime, we have received an e-mail from Karen Cremer at the Public Utilities Commission indicating that they would like to move forward with these dockets. For that reason, and because I believe that you have had plenty of time to review the language in the Protective Agreement, I would like to know whether you intend to sign the Protective Agreement by 5 p.m. MST today. If I do not hear from you in this regard, I will contact Ms. Cremer on Monday morning and ask that she set a hearing.

While I appreciate that you may be busy, I am sure that you can understand why I do not risk S&S Communications’ meaningful participation in these dockets simply because your clients are struggling with the language of a Protective Agreement concerning documents which we are clearly entitled to.

See Attachment D (copy of letter from Burke to Rogers dated January 17, 2003) (emphasis added).

Approximately three days later, on January 20, 2003, counsel for S&S Communications received a facsimile from counsel for Petitioner accompanied by another draft of the Protective Agreement. After further discussions, on February 3, 2003, counsel for S&S Communications

received yet another proposed Protective Agreement from counsel for Petitioner. Within a matter of days, the parties agreed to a Protective Agreement and it was circulated for the appropriate signatures. Approximately six weeks later, during the first week of April, 2003, a number of the “cost studies” were mailed to S&S Communications’ expert, Porter Childers.

After his initial review of the cost studies, Porter Childers related that additional information was needed to permit a meaningful consideration as to whether an increase of South Dakota’s already high switched access rates is appropriate. On June 12, 2003, S&S Communications served Intervenor’s Second Discovery Requests. To date, Petitioner has not responded to these requests. Instead, like before, Petitioner waited twenty-nine days and then served the present Motion for Extension of Time to Respond to Second Discovery Request.

Given the preceding, S&S Communications would submit that it has been Petitioner, and not S&S Communications, that “has not promoted a timely hearing and disposition of this case by the Commission.” Petitioner’s Motion to Dismiss at 4.¹

B. S&S Communications should not lose its intervenor status.

Though it fails to cite a single case in support of its argument, Petitioner contends that S&S Communications should be dismissed as an intervenor in this matter. According to Petitioner, “S&S can no longer demonstrate that ‘by the outcome of the preceding [it] will be bound and affected either favorably or adversely with respect to an interest peculiar to the petitioner’” Petitioner’s Motion to Dismiss at 3. S&S Communications should not lose its

¹ Petitioner submits that S&S Communications has not responded to Staff’s request for a list of specific issues. Petitioner’s Motion to Dismiss at 4. Petitioner’s representation is inaccurate and misleading. Staff did ask counsel for S&S Communications for an issues matrix. Thereafter, counsel for S&S Communications contacted Staff and informed it that until it had obtained the additional information requested from Petitioner—information needed by S&S Communications’ expert, Porter Childers—that it would be unable to provide an issues matrix.

intervenor status.

First, once this Commission granted S&S Communications status as an intervenor in this matter, it became “a party to the proceeding.” ARSD 20:10:01:15.05. Accord 7C C. Wright & A. Miller, *Federal Practice and Procedure* § 1920 (1985); Schneider v. Dumberton Developers, Inc., 767 F2d 1007, 1017 (CADC 1985) (“When a party intervenes, it becomes a full participant in the lawsuit and is treated just as if it were an original party.”). By rule, “[a]s a party,” S&S Communications became “entitled . . . to all . . . rights granted to parties by statute.” ARSD 20:10:01:15.05. Parties cannot be summarily dismissed from a matter. See SDCL 15-6-12(b) (motion to dismiss (1) for lack of jurisdiction over the subject matter; (2) for lack of jurisdiction over the person; (3) due to insufficiency of process; (4) due to insufficiency of service of process; (5) for failure to state a claim upon which relief can be granted; (6) for failure to join a party under § 15-6-19); SDCL 15-6-12(c) (motion for judgment on the pleadings); SDCL 15-6-41(b) (motion for involuntary dismissal); SDCL 15-6-56 (motion for summary judgment). Thus, as a party, S&S Communications cannot be summarily dismissed from this proceeding.

Second, the Commission should not overlook the fact that Petitioner will not in any way be prejudiced by S&S Communications’ continued participation in this proceeding. If Petitioner’s cost studies support the rates they seek to implement, and Petitioner has nothing to hide, it should, frankly, be indifferent to S&S Communications’ continued participation.

Third, S&S Communications’ continued participation will aid the Commission in obtaining its ultimate objective of switched access rates that are fair to Petitioner, interexchange carriers, and the citizens of South Dakota. If Petitioner shares this objective—which it should—how can it *reasonably* maintain that S&S Communications should not be allowed to

continue to participate and assist the Commission.²

II. PETITIONER'S MOTION FOR EXTENSION SHOULD BE DENIED.

As noted earlier, after his initial review of the cost studies, S&S Communications' expert, Porter Childers, indicated that additional information was needed to analyze whether an increase of South Dakota's already high switched access rates was appropriate. S&S Communications served Intervenor's Second Discovery Requests on June 12, 2003. Although Petitioner agrees that its "responses are due within thirty days," it seeks an extension because "[i]n the event the Commission grants Company's Motion, responses to the Discovery Requests would not be necessary." Petitioner's Motion to Dismiss at 4-5. Petitioner's Motion should be denied.

Petitioner's Motion is nothing more than a transparent attempt to further delay inquiry into the basis for the switched access rates it seeks to charge. It is worth noting that as of the day S&S Communications' Certificate of Authority was revoked (July 3, 2003)—the event which serves as the basis for Petitioner's Motion—Petitioner had had Intervenor's Second Discovery Requests for approximately twenty days. Because Petitioner only had thirty days to respond to Intervenor's Discovery Requests, Petitioner should have had a substantial portion of the documents already gathered and therefore should have at least produced the documents it had already gathered. There is no good faith reason why Petitioner had not already produced at least what it had gathered by July 3. S&S Communications' expert could be reviewing such documents right now. Petitioner's Motion directly contradicts the promotion of the "timely hearing and disposition of this case by the Commission." Petitioner's Motion to Dismiss at 4.

² In addition, Petitioner will no doubt seek retroactive recovery of the increased switched access rates from interexchange carriers, including S&S Communications. In that case, Petitioner will be seeking additional funds from S&S Communications and, as a result, the Commission's decision will directly and immediately affect the pecuniary interests of S&S Communications.

Re: S&S Communications/RLECs

Dear Ms. Rogers:

As you know, during the first week of September 2002, I served numerous Requests for Access to Confidential Information. Over the next two months, I heard very little from you in this regard until recently, when you stated in an e-mail that your clients might be willing to disclose this information if it was only reviewed by S&S Communications' expert, Porter Childers. I am writing to simply state that my patience is at an end, and that, therefore, if you do not advise me that this information can be reviewed by Mr. Childers by 12 p.m. on Monday, I will take immediate action, which may or may not include renewed Requests for Access to Confidential Information.

I look forward to hearing from you in this regard. If you have any questions, please feel free to give me a call at any time.

Best regards.

Dear Darla:

I am in receipt of your facsimile dated December 18, 2002, as well as the accompanying revised draft of the Protective Agreement. After reviewing the Protective Agreement, and given the number of changes that have been made, I took the liberty of revising the Protective Agreement. I am enclosing a draft for your review. Re: S&S Communications v. RLEC's

Dear Darla:

A couple of days ago I called your office and was informed that you would call me back in a few minutes. I did not hear from you later that day, nor did I hear from you yesterday. As a result, I called again yesterday and left another message. In the meantime, we have received an e-mail from Karen Cremer at the Public Utilities Commission indicating that they would like to move forward with these dockets. For that reason, and because I believe that you have had plenty of time to review the language in the Protective Agreement, I would like to know whether you intend to sign the Protective Agreement by 5 p.m. MST today. If I do not hear from you in this regard, I will contact Ms. Cremer on Monday morning and ask that she set a hearing.

While I appreciate that you may be busy, I am sure that you can understand why I do not risk S&S Communications' meaningful participation in these dockets simply because your clients are struggling with the language of a Protective Agreement concerning documents which we are clearly entitled to.

I look forward to hearing from you in this regard. If you have any questions, please feel free to give me a call at any time.

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE ESTABLISHMENT)	NOTICE OF INTENT TO
OF SWITCHED ACCESS REVENUE)	CONSIDER MOTION AS ONE
REQUIREMENT FOR SANBORN TELEPHONE)	FOR SUMMARY
COOPERATIVE AND SANCOM, INC.)	JUDGMENT; ORDER FOR
)	AND NOTICE OF HEARING;
		ORDER EXTENDING TIME
		FOR RESPONSE
		TC02-073

On June 20, 2002, Sanborn Telephone Cooperative and SANCOM, Inc. (Company) filed for approval by the Public Utilities Commission (Commission) its 2001 Intrastate Switched Access Cost Study.

On June 27, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of July 12, 2002, to interested individuals and entities. On July 9, 2002, the Commission received a Petition to Intervene from S&S Communications (S&S). At its regularly scheduled meeting of July 23, 2002, the Commission granted intervention to S&S.

On July 11, 2003, Company filed a Motion to Dismiss and Motion for Extension of Time to Respond to Second Discovery Request (Motions). On July 24, 2003, S&S filed a Brief in Resistance to Motion to Dismiss and Motion for Extension of Time.

The Commission scheduled the Motions for consideration at its regular meeting on August 4, 2003, and the Commission voted unanimously to serve notice on the parties that S&S's Motion to Dismiss will be considered at the Commission's next regularly scheduled meeting on August 19, 2003, at 1:30 p.m. CDT at the Ramada Inn in Aberdeen, South Dakota, alternatively as a motion for summary judgment or as a motion to dismiss. The Commission further voted unanimously to extend the time for Company's response to S&S's pending discovery requests until after decision on Company's Motion to Dismiss and the further order of the Commission.

After hearing and considering the briefs, arguments and factual representations of the parties at its August 4, 2003 meeting, the Commission finds and concludes that S&S has raised an issue as to whether a genuine issue of material fact exists as to whether S&S presently continues to have an interest in the subject matter of this proceeding that is sufficient under ARSD 20:10:01:15.05 to maintain its standing as an intervening party in the proceeding. The Commission further finds and concludes that the issue of whether a genuine issue of material fact exists should be determined before the Motion to Dismiss is decided. The Commission further finds and concludes that if a genuine issue of material fact as to S&S's present interest in the subject matter of this proceeding is presented, then the Commission should hold a preliminary factual hearing to resolve such issue of fact related to S&S's continuing standing to maintain intervenor party status.

The Commission therefore serves notice, in conformity with *Richards v. Lenz*, 539 N.W.2d 80 (S.D. 1995), that it will hold a hearing on August 19, 2003, at 1:30 p.m., at the Ramada Inn, 2727 6th Avenue S.E., Aberdeen, South Dakota, to consider Company's Motion to Dismiss as a motion for summary judgment under SDCL 1-26-18 and 15-6-56, for purposes of considering the issue of whether a genuine issue of material fact exists as to S&S's current interest in this proceeding. If a genuine issue of material fact is not presented, the Commission will determine the issue of whether S&S currently has a sufficient interest in the proceeding to maintain its status as an intervenor party

as a question of law based upon the material facts as to which there is no genuine issue. On or before August 15, 2003, S&S shall file and serve on the parties hereto any affidavit(s) or other proof it wishes to present to demonstrate that a genuine issue of material fact exists as to its present interest in the outcome of this proceeding. On or before August 18, 2003, Company shall file and serve any opposing affidavit(s) or other proofs.

The Commission further serves notice that if the Commission determines at the August 19, 2003 hearing that a genuine issue of material fact is presented as to S&S's current interest in the proceeding, that the Commission will thereupon at such time and place take evidence from S&S and other parties hereto on the issue of S&S's current interest in this proceeding.

The issue at the hearing will be whether by the outcome of the proceeding S&S will be bound and affected either favorably or adversely with respect to an interest peculiar to S&S as distinguished from an interest common to the public or to the taxpayers in general. The hearing will be an adversary proceeding conducted pursuant to SDCL Chapter 1-26. All parties have the right to be present and to be represented by an attorney. These rights and other due process rights may be forfeited if not exercised at the hearing. The Commission will consider all evidence and arguments presented at the hearing. To the extent allowed by law for appeals of interlocutory decisions, the Commission's decision may be appealed by the parties to the circuit court and the state Supreme Court as provided by law. It is therefore

ORDERED, that a hearing shall be held at the time and place and in the manner specified above, on the issue set forth above; and it is further

ORDERED, that S&S shall file and serve any affidavit(s) or other proof as to the above issue on or before August 15, 2003, and that Company shall file and serve any opposing affidavit(s) or other proof on or before August 18, 2003; and it is further

ORDERED, that the time for Company to respond to S&S's pending discovery requests is extended until after the Motion to Dismiss is decided and the further order of the Commission.

Pursuant to the Americans with Disabilities Act, this hearing is being held in a physically accessible location. Please contact the Public Utilities Commission at 1-800-332-1782 at least 48 hours prior to the hearing if you have special needs so arrangements can be made to accommodate you.

Dated at Pierre, South Dakota, this 8th day of August, 2003.

AFFIDAVIT OF LES S. SUMPTION

Les S. Sumption, being first duly sworn upon his oath, deposes and states as follows:

1. That I am one of the partners that owns and operates Intervenor S&S Communications.
2. That I make this Affidavit in resistance to Petitioner's Motion to Dismiss and/or Motion for Summary Judgment.
3. That prior to losing its Certificate of Authority S&S Communications was a switch-based interexchange carrier that provided both intra and interstate long distance communications services to subscribers throughout South Dakota.
4. That providing intrastate long distance services in South Dakota requires the following switched access services: Originating Carrier Common Line Access; Originating Local Switching; Originating Local Transport; Centralized Equal Access Service; Terminating Local Transport; Terminating Local Switching; and Terminating Carrier Common Line Access. Pursuant to tariffs, the cost to purchase such services exceeds \$.20 per minute.
5. That over the past several weeks several individuals and/or entities have expressed an interest in purchasing S&S Communications and/or its assets.

6. That S&S Communications is presently in negotiations to sell its business and/or assets.
7. That S&S Communications' pecuniary interests will be directly and immediately affected by the Commission's decision on this matter for the following reasons:
 - (A) Subsequent to the sale, S&S Communications, regardless of the name by which it will do business, will have to purchase switched access services;
 - (B) The individual and/or entity interested in purchasing S&S Communications and/or its assets has expressed some reluctance in following through with the purchase as a result of the rates presently charged for switched access services in South Dakota;
 - (C) If the individual and/or entity interested in purchasing S&S Communications and/or its assets fails to follow through with the purchase, S&S Communications will be divested of a substantial amount of revenue that would have been directed to creditors and/or subscribers that lost service.

Further your affiant sayeth not.

Dated this 14 day of August, 2003.

RESPONSE OF COMPANIES NAMED IN ABOVE DOCKETS
TO AFFIDAVIT OF LES S. SUMPTION

Relevant Background

In June of 2002, each of the companies named in the above dockets (hereinafter "Companies") filed its 2001 Intrastate Switched Access Cost Study. S&S Communications ("S&S") was granted intervention status in the above dockets by the Commission on July 23, 2002.

On July 1, 2003, pursuant to properly given statutory notice, the Companies' switched access rates became effective, subject to final approval/refund by the Commission. On July 2, 2003, Commission revoked S&S's Certificate of Authority to do business as a telecommunications company in South Dakota.

On July 11, 2003, each of the Companies filed a Motion to Dismiss S&S as Intervenor in the Cost Study Dockets and Motion for Extension of Time to Respond to S&S's Second Discovery Request. S&S filed a Brief in Resistance to Companies' Motions.

On August 4, 2003, the Commission considered the Motions and voted to reconsider the Motion to Dismiss on August 19, 2003, alternatively as a Motion for Summary Judgment or as a Motion to Dismiss. The Commission extended the time of Companies to respond to the Second Discovery Requests pending ruling on the Motion to Dismiss.

On August 14, 2003, S&S filed an Affidavit of Les S. Sumption, resisting Companies' Motion to Dismiss and/or Motion for Summary Judgment. This Response is filed by Companies in support of the Motion to Dismiss and the Motion for Summary Judgment.

Issue

The issue presented is whether a genuine issue of material fact exists as to S&S's current interest in the cost study dockets. If the Commission determines that no genuine issue of material fact exists, it will proceed to determine whether S&S currently has sufficient interest in the proceeding to maintain its status as intervenor party as a question of law.

If the Commission determines S&S has alleged sufficient facts in its Affidavit to establish that a genuine issue of material fact may exist, the Commission will proceed to take evidence from S&S and other parties on the issue of S&S's current interest in the Companies' cost study dockets. The issue at said factual hearing will be whether by the outcome of these proceedings (the cost study dockets) S&S will be bound and affected either favorably or adversely with respect to an interest peculiar to S&S as distinguishable from an interest common to the public or to the taxpayers in general.

Argument

It is Companies' position that a further factual hearing is not necessary, as the Affidavit filed by S&S in this docket is insufficient to establish the existence of a genuine issue of material fact.

SDCL § 15-6-56 governs summary judgment practice. Specifically, SDCL § 15-6-56(e) addresses the form of affidavits necessary to support or oppose a summary judgment motion:

Supporting and opposing affidavits shall be made on personal knowledge, shall set forth such facts as would be admissible in evidence . . . when a motion for summary judgment is made . . . an adverse party may not rest upon the mere allegations or denials of his pleading, but his response . . . must set forth specific facts showing that there is a genuine issue for trial.

A careful review of the Affidavit of Les S. Sumption shows that it falls far short of the statutory standards for opposing affidavits. Paragraph 5 of the Affidavit states that over the past several weeks, "several individuals and/or entities have expressed an interest in purchasing S&S Communications and/or its assets." Paragraph 6 states that S&S is presently negotiating to sell "its business and/or its assets." S&S, however, submits no supplemental documents supporting its stated allegations.

It is highly speculative at best that S&S could sell its business. This Commission can take judicial notice of the fact that S&S can no longer provide services, since its Certificate of Authority has been revoked. Therefore, sale of S&S as a business is very unlikely. S&S is asking the Commission to keep it in these dockets on the slim chance of a sale of its business. No facts are submitted to substantiate these allegations: What is the name of the proposed buyer? Is it an individual or an entity? In his Affidavit, Mr. Sumption apparently cannot decide what type of buyer he is dealing with, despite his assertion that he is "presently" engaged in negotiations. Is the sale one of a business

or one of assets? Again, Mr. Sumption is unable to state what type of sale he is presently negotiating. It is important to remember that the purpose of the current dockets is to determine and establish fair switched access rates in accordance with this Commission's rules, not whether S&S can sell its business or assets.

Nor does Mr. Sumption's Affidavit establish sufficient facts to show that S&S's pecuniary interests will be "directly and immediately affected" by the outcome of these dockets. There is no evidence whatsoever that S&S Communications "will have to purchase switched access services." It obviously cannot do so without a Certificate of Authority. Even assuming for purposes of argument that S&S sells its business as an on-going telecommunications business, which is not only a stretch of the imagination but also not even affirmatively stated and supported by Mr. Sumption's Affidavit, the new buyer would have to establish its own interest in the Companies' switched access rates. Mr. Sumption cannot raise concerns of a phantom buyer and expect such vicarious allegations to sustain the level of specificity required by SDCL 15-6-56(e) to oppose a summary judgment motion. Such hearsay would not be admissible in a factual hearing. If, on the other hand, S&S does sell assets, such as a switch or other personal property, the outcome of these dockets would have no effect whatsoever on such a sale.

The standards of specificity of affidavits in support of or in opposition to summary judgment are high under South Dakota case law as well. The clearest example is found in the case of The Estate of Fredris J. Elliott vs. A&B Welding Supply Company, Inc., 594 NW2d 707 (SD 1999). The case involved agreements among shareholders for the purchase of stock. Specifically, the Estate tried to challenge the validity of written buy/sell agreements on the basis of alleged oral agreements between the share-

holders. In granting summary judgment upholding the validity of the written agreements, the Court stated:

However, proof of a mere possibility is never sufficient to establish a fact . . . “When challenging a summary judgment, the nonmoving party ‘must substantiate his allegations with sufficient probative evidence that would permit a finding in his favor on more than mere speculation, conjecture, or fantasy.’” Himrich v. Carpenter, 569 NW2d 568, 573 (quoting Moody v. St. Charles County, 23 F3d 1410, 1412 (8th Cir. 1994)).

See also Estate of Thomas v. Sheffield, (“mere allegations are not sufficient to preclude summary judgment”), 511 NW2d 841, 844 (SD 1994). Also on point is the case of Paradigm Hotel Mortgage Fund v. Sioux Falls Hotel Company, Inc., 511 NW2d 567 (SD 1994). The Hotel appealed the trial court’s grant of summary judgment to Paradigm in a foreclosure action against Hotel on a defaulted mortgage loan. The argument centered around the value of the mortgaged property. Hotel, in opposition to the summary judgment motion, failed to complete an appraisal “or to obtain evidence to back up [its] conclusory allegations.”

The trial court was left to decide whether an issue of fact existed on value based upon Defendant’s appraiser’s assertion that the property was worth “substantially more” than the value shown in the mortgage holder’s appraisal. In sum, the circuit court was asked to anticipate possible proof. Unsupported conclusions and speculative statements do not raise a genuine issue of fact. Paradigm at 569.

S&S is doing exactly what the Defendant in Paradigm did. It is asking this Commission to find that there is a genuine issue of material fact by “anticipating possible proof.” The “unsupported conclusions and speculative statements” in Mr. Sumption’s Affidavit clearly do not raise a genuine issue of fact.

Conclusion

Since S&S has failed to establish that a genuine issue of material fact exists as to its current interest in the proceeding, the Commission can proceed to determine

whether S&S currently has sufficient interest in the cost study dockets to maintain its status as an intervenor party as a matter of law. Companies have established in prior proceedings before this Commission:

- (a) That S&S does not pay Companies' 2001 switched access charges, as its Certificate of Authority is revoked and it is no longer in business; thus S&S no longer has any interest in the cost study dockets;
- (b) That S&S has failed to establish a peculiar interest beyond that of the general public;
- (c) That S&S's continued presence in these dockets is prejudicial to the Companies;
- (d) That this Commission has the expertise and authority to establish switched access rates without S&S's continued participation in these dockets;
- (e) That no issue exists as to retroactive applicability of the 2001 switched access rates; and
- (f) That courts and commissions have full authority to rule upon intervenor status, including the authority to dismiss an intervenor.

Accordingly, Companies respectfully request this Commission to grant the Motion to Dismiss S&S as an intervenor in each of the above-numbered dockets. Companies also request the Commission to order that Companies are not required to respond to S&S's Second Discovery Requests.

Respectfully submitted this eighteenth day of August, 2003.

MEMORANDUM TO COMMISSIONERS SAHR, HANSON AND BURG

FROM: Harlan Best

RE: Sanborn Telephone Cooperative and SANCOM, Inc., Woonsocket, SD
Switched Access Revenue Requirement, TC02-073

DATE: September 3, 2003

Sanborn Telephone Cooperative and SANCOM, Inc. (Santel) filed an Intrastate Switched Access Cost Study pursuant to ARSD Chapters 20:10:27 to 20:10:29, inclusive on June 20 2002, based on the twelve months ended December 31, 2001. The cost study submitted by Santel developed a revenue requirement of \$1,398,952. Santel's cost study did not include an amount for Global Crossing uncollectibles. Santel's access minutes of use for 2001 were 11,755,564. Santel is a member of the Local Exchange Carrier Association (LECA). As a member of LECA, Santel's revenue requirement and access minutes of use are part of the total revenue requirement and total access minutes of use used in the determination of the Carrier Common Line, Local Switching, and Common Transport rate elements for LECA.

On June 27, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of July 12, 2002, to interested individuals and entities. On July 9, 2002, the Commission received a Petition To Intervene from S&S Communications (S&S). On July 23, 2002, the Commission granted S&S' intervention and voted to assess Santel a \$1000 filing fee, subject to additional amounts as requested by the Executive Director up to the statutory limit of \$100,000. (Any questions regarding the amount expended should be addressed to Heather Forney.) On August 19, 2003, the Commission voted to issue a summary disposition to dismiss S&S as an intervening party.

Staff requested supporting information from Santel on June 21, August 7, August 30, and November 26, 2002. Staff data requests were responded to by Santel in a timely manner. Staff reviewed trial balances for 2001, supporting documentation for adjustments that were proposed by Santel in the cost study, access minutes of use, and traffic factor support.

The cost study filed by Santel included FCC frozen allocation factors. Staff requested Santel to resubmit its cost study without the use of frozen allocation factors since Chapter 28 of the administrative rules does not allow allocation factors to be frozen in time. On November 25, 2002, Santel submitted an amended cost study that increased the revenue requirement to \$1,459,231.

Staff requested, and Santel has agreed, to reflect no Federal Income Tax rate since Sanborn Cooperative and SANCOM are now combined into Santel Communications Cooperative as of January 1, 2002, to change the direct assignment of IOT on Sheet N, Line 43 from "Common Line" to "Other"; to remove contributions from the cost study; and to amortized non-recurring cost study expense of \$10,584 over three years. The revenue requirement for Santel is \$1,426,546. This revenue requirement is acceptable to Santel.

OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE)	FINAL DECISION AND ORDER
ESTABLISHMENT OF SWITCHED)	GRANTING MOTION TO DISMISS
ACCESS REVENUE REQUIREMENT)	ON SUMMARY DISPOSITION;
FOR SANBORN TELEPHONE)	NOTICE OF ENTRY
COOPERATIVE AND SANCOM, INC.)	
)	TC02-073

On June 20, 2002, Sanborn Telephone Cooperative and SANCOM, Inc. (Company) filed for approval by the Public Utilities Commission (Commission) its 2001 Intrastate Switched Access Cost Study. On June 27, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of July 12, 2002, to interested individuals and entities. On July 9, 2002, the Commission received a Petition to Intervene from S&S Communications (S&S). At its regularly scheduled meeting of July 23, 2002, the Commission granted intervention to S&S.

On July 11, 2003, Company filed a Motion to Dismiss and Motion for Extension of Time to Respond to Second Discovery Request (Company Motions). On July 24, 2003, S&S filed a Brief in Resistance to Motion to Dismiss and Motion for Extension of Time.

At its regular meeting on August 4, 2003, the Commission considered the Company Motions and voted unanimously to serve notice on the parties that S&S's Motion to Dismiss would be considered alternatively as a motion for summary judgment or as a motion to dismiss and to schedule the matter for hearing at the Commission's next regularly scheduled meeting on August 19, 2003. The Commission further voted unanimously to extend the time for Company's response to S&S's pending discovery requests until after decision on Company's Motion to Dismiss and the further order of the Commission. On August 8, 2003, the Commission issued a Notice of Intent to Consider Motion as One for Summary Judgment, Order for and Notice of Hearing; Order Extending Time for Response (Notice and Order) requesting the parties to file any affidavits or other proof demonstrating that a genuine issue of material fact exists or does not exist as to S&S's continuing interest in this proceeding sufficient to maintain party status, setting the matter for consideration and/or hearing on August 19, 2003, at 1:30 p.m. CDT at the Ramada Inn in Aberdeen, South Dakota, and extending the Company's time for response to discovery until after the issue of S&S's standing to maintain status as party is finally decided.

In response to the Commission's Notice and Order, on August 14, 2003, S&S filed an Affidavit of Les S. Sumption (Affidavit). On August 18, 2003, Company filed a Response of Companies Named in Above Dockets to Affidavit of Les S. Sumption. On August 19, 2003, the Commission, after hearing and considering the parties' filings and the arguments of counsel, voted unanimously (i) to decide that the assertions contained in the Affidavit were not sufficient to raise a genuine issue of material fact as to whether S&S continues to have an interest peculiar to it as opposed to an interest common to the public or the taxpayers in general and (ii) to grant Company's Motion to Dismiss. Accordingly, as its Final Decision on the Company's Motion to Dismiss and the Notice and Order, the Commission considering the Affidavit and the other documents and evidentiary showings in the record in the light most favorable to S&S, makes the following Findings of Fact, Conclusions of Law and Order.

FINDINGS OF FACT

1. On July 9, 2002, S&S filed a Petition to Intervene (Petition) with the Commission. At its regular meeting on July 23, 2002, the Commission voted unanimously to grant S&S's Motion to Intervene, and on August 7, 2002, the Commission issued an Order Granting Petition to Intervene. S&S has been a party to this proceeding since then.

2. The standards for intervention as a party in a proceeding before the Commission are set forth in SDCL 1-26-17.1 as follows:

A person who is not an original party to a contested case and whose pecuniary interests would be directly and immediately affected by an agency's order made upon the hearing may become a party to the hearing by intervention, if timely application therefor is made.

and in ARSD 20:10:01:15.05 as follows:

that by the outcome of the proceeding the petitioner will be bound and affected either favorably or adversely with respect to an interest peculiar to the petitioner as distinguished from an interest common to the public or to the taxpayers in general.

3. In the Petition, S&S based its assertion that its interest met these tests on the facts that "S&S is a switch-based interexchange carrier" that "provides both intra and interstate message telecommunications services to its subscribers" (Petition, ¶ 1), that to provide intrastate telecommunications services, S&S "requires . . . switched access services from the Rural Local Exchange Carriers in South Dakota" which include Company (Petition, ¶ 2), and that "[b]ecause S&S Communications purchases switched access services from [Company] any increase in the rates of such services will directly and immediately affect the pecuniary interests of S&S Communications as it will naturally affect S&S Communications' operating expenses." (Petition, ¶ 3).

4. On July 11, 2003, Company filed a Motion to Dismiss asserting that S&S no longer meets the standards for intervention set forth in SDCL 1-26-17.1 and ARSD 20:10:01:15.05 and therefore lacks standing to be a party in this case. The Company's basis for its motion is the Commission's decision in Docket No. TC02-166 to revoke S&S's certificate of authority to provide telecommunications services in South Dakota.

5. On August 8, 2003, the Commission issued a Notice of Intent to Consider Motion as One for Summary Judgment, Order for and Notice of Hearing; Order Extending Time for Response (Notice and Order) requesting the parties to file any affidavits or other proof demonstrating that a genuine issue of material fact exists or does not exist as to S&S's continuing interest in this proceeding sufficient to maintain intervenor party status.

6. The Commission takes official notice of the following matters of record in the Commission's files. On June 16, 2003, the Commission issued an Order to Show Cause and Notice of Hearing in Docket No. TC02-166 requiring S&S to appear and show cause as to why, *inter alia*, its certificate of authority to provide telecommunications services in South Dakota should not be revoked. On June 30 and July 2, 2003, the Commission held a contested case hearing on the Order to Show Cause. On July 2, 2003, following the conclusion of the evidentiary hearing and the arguments of the parties, the Commission unanimously voted to revoke S&S's certificate of authority to provide telecommunications services in South Dakota. On August 28, 2003, the Commission issued its Findings of Fact; Conclusions of Law; Notice of Entry of Order in Docket No. TC02-166 (TC02-166

Order). The TC02-166 Order was transmitted to S&S on August 29, 2003. In the TC02-166 Order, the Commission ordered *inter alia* that S&S's certificate of authority is revoked.

7. The Company's Motion to Dismiss and the Notice and Order provided sufficient notice to S&S of the Company's assertion of the Commission's action in Docket No. TC02-166 as a basis for the Commission's decision on the Motion to Dismiss to afford S&S a reasonable opportunity to refute the facts of record officially noticed in Finding 6 as provided for in SDCL 1-26-19(3).

8. The revocation of S&S's certificate of authority to provide intrastate interexchange services in the TC02-166 Order precludes S&S from utilizing the Company's switched access services to provide intrastate interexchange telecommunications services in South Dakota.

9. At the August 4, 2003 meeting at which the Company's Motion to Dismiss was first before the Commission, S&S stated that they were no longer paying for switched access services from Company.

10. In the Affidavit, Mr. Sumption states on behalf of S&S that "over the past several weeks several individuals and/or entities have expressed an interest in purchasing S&S Communications and/or its assets" (Affidavit, ¶ 5), that "S&S Communications is presently in negotiations to sell its business and/or assets" (Affidavit, ¶ 6) and that S&S's pecuniary interests will be directly and immediately affected by the Commission's decision in this matter "for the following reasons:

- (A) Subsequent to the sale, S&S Communications, regardless of the name by which it will do business, will have to purchase switched access services;
- (B) The individual and/or entity interested in purchasing S&S Communications and/or its assets has expressed some reluctance in following through with the purchase as a result of the rates presently charged for switched access services in South Dakota;
- (C) If the individual and/or entity interested in purchasing S&S Communications and/or its assets fails to follow through with the purchase, S&S Communications will be divested of a substantial amount of revenue that would have been directed to creditors and/or subscribers that lost service." (Affidavit, ¶ 7).

11. In the Affidavit, Mr. Sumption states that he is "one of the partners that owns and operates Intervenor S&S Communications." (Affidavit, ¶ 1).

12. Because S&S is a partnership, there is at least some question whether S&S could be sold to anyone as a legal entity. Furthermore, given the financial problems of S&S as documented in the TC02-166 Order and record, the Commission does not find it credible that anyone would acquire S&S as a legal entity and thereby render itself liable for S&S debts and liabilities.

13. Following revocation of its certificate of authority, S&S does not in any case have the legal right, as a matter of law, to convey to any purchaser of its assets or business either its certificate of authority or any other right to provide intrastate interexchange telecommunications services in South Dakota.

14. Following revocation of its certificate of authority, S&S does not have the legal right to continue to provide services that would involve the purchase of intrastate switched access services

from Company, and the Commission accordingly finds that the assertion stated in Affidavit, ¶ 7(A) fails as a matter of law to raise a genuine issue of material fact as to the assertion.

15. The statement in Affidavit ¶ 7(B), that "the individual and/or entity interested in purchasing S&S Communications and/or its assets has expressed some reluctance in following through with the purchase as a result of the rates presently charged for switched access services in South Dakota" is hearsay, is not legally admissible evidence and is therefore not a showing of evidence that is sufficient to raise a genuine issue of material fact as to the matter asserted. That the alleged speaker is not identified and apparently was not even identifiable as a person or entity weakens the credibility of the assertion even more.

16. Viewing the Affidavit and the other documents, admissions and evidence in the record in the light most favorable to S&S, no admissible evidence provided by or pointed to by S&S offers any concrete showing that a person or entity that has expressed interest in purchasing S&S's assets has a present intention to provide intrastate interexchange services in South Dakota and would thus incur switched access charges which could be affected by the decision in this proceeding.

17. Any person who might have an interest in purchasing the assets of S&S who is presently providing intrastate interexchange services in South Dakota has had an interest in the outcome of this proceeding that it could have asserted in a petition for intervention on its own behalf prior to now. No such petition has been filed.

18. Some concrete showing of current proximate interest is required as a condition of permitting S&S to maintain its status as an intervenor party.

19. S&S's mere assertion that it is offering telecommunications assets for sale which might possibly be sold to a person who does not now, but might desire to, provide intrastate interexchange services in South Dakota and who might theoretically have concerns about the Company's switched access revenue requirement is too speculative to meet the test for proof of standing as an intervenor and is not a sufficient showing of interest peculiar to S&S, as opposed to an interest common to the public at large, to justify S&S's intervenor party status in this proceeding.

20. Based upon the above findings, the Commission finds (i) that the Affidavit of S&S and the other documents and showings of evidence in the record in this proceeding are insufficient to demonstrate that a genuine issue of material fact is presented that would require a factual hearing as to a present interest of S&S in this proceeding that is sufficient to warrant its continued standing as an intervenor party and (ii) that after viewing all reasonable inferences to be drawn from the evidence in the record herein in favor of S&S, Company is entitled to a summary disposition as a matter of law granting Company's Motion to Dismiss S&S as an intervenor party.

21. The interests of the ultimate consumers of switched access services to be provided by Company are not peculiar to S&S as opposed to the general public and such consumer and general public interests are adequately represented in this proceeding by the Commission's Staff. Furthermore, given S&S's conduct toward the Commission and S&S's customers as set forth in the TC02-166 Order, the Commission does not find that S&S is an appropriate advocate for the interests of customers' or the general public's interests in this proceeding.

22. The evidence does not support a finding that S&S has acted in a dilatory or obstructionist manner while an intervenor party to this proceeding and such a finding has not been relied upon by the Commission in reaching its decision herein.

CONCLUSIONS OF LAW

1. The Company's Motion to Dismiss was properly filed. Notice of the Commission's intention to treat the Motion to Dismiss as a motion for summary disposition was properly filed and served upon the parties in accordance with SDCL 15-6-56 and *Richards v. Lenz*, 539 N.W.2d 80 (S.D. 1995).
2. Pursuant to SDCL 49-1-11(4), 1-26-17.1, 1-26-18, 15-6-12(c) and 15-6-56 and ARSD 20:10:01:15.05, the Commission has the authority both to deny intervention as a party for failure of the petitioner to make a sufficient showing of pecuniary interest peculiar to the petitioner and also to dismiss an intervenor party under either a motion to dismiss or a summary disposition, as appropriate, if the requisite pecuniary interest of the intervening party has ceased to exist.
3. A petition to intervene and subsequent substantive pleadings and positions asserted by an intervenor in a proceeding are "defenses or claims" subject to summary disposition pursuant to SDCL 1-26-18.
4. Intrastate switched access charges are charges made by a carrier's carrier to another carrier for use of telecommunications facilities to originate or terminate calls. ARSD 20:10:27:01(6). For a telecommunications company to be a direct purchaser and user of the Company's intrastate switched access services, as distinguished from a member of the general public indirectly purchasing such services as an end user, it must be a provider of intrastate interexchange telecommunications services. ARSD 20:10:27:01(2) and 20:10:27:02. The Commission's TC02-166 Order prohibits S&S from engaging in the provision of the intrastate interexchange services in South Dakota and hence from being a purchaser or user of switched access services. S&S is not a purchaser of Company's switched access services.
5. When challenging a summary judgment, the nonmoving party must substantiate his allegations with sufficient probative evidence that would permit a finding in his favor on more than mere speculation or conjecture. *The Estate of Frederis J. Elliot v. A&B Welding Supply Company*, 1999 S.D. 55, 594 N.W.2d 707 (1999).
6. SDCL 15-6-56(e) requires that an affidavit offered in support of opposition to a motion for summary judgment "shall be made on personal knowledge" and "shall set forth such facts as would be admissible in evidence."
6. The assertion in the Affidavit that "the individual and/or entity interested in purchasing S&S Communications and/or its assets has expressed some reluctance in following through with the purchase as a result of the rates presently charged from switched access services in South Dakota" is hearsay and is not a fact admissible in evidence.
7. The remaining assertions in the Affidavit amount to an argument that S&S has standing to intervene due to the ownership of assets whose value might be affected by the fact that they could be used by a potential purchaser to become a provider of intrastate interexchange service in South Dakota who would thus require switched access services of Company. This argument demonstrates only a mere possibility and is not a showing of interest in the Company's switched access revenue requirement that is sufficiently proximate to justify party intervenor status.
8. The interests of the consumers of switched access services in South Dakota are represented by the Commission Staff in this proceeding, and S&S has made no showing that Commission Staff is not providing adequate representation of such interest.

9. S&S has failed to make a sufficient showing that a genuine issue of material fact is presented as to a pecuniary interest peculiar to S&S in this proceeding and the Commission concludes that a genuine issue of material fact is not presented.

10. S&S's asserted pecuniary interest arising from its ownership of assets that might be used in South Dakota by a purchaser of such assets to provide telecommunications services that would require the purchase of switched access services from Company is not proof of a sufficiently proximate interest in the outcome of this proceeding to justify intervenor party status.

11. Company is entitled to disposition in its favor as a matter of law of its Motion to Dismiss considered as a motion for summary disposition.

12. Company's Motion to Dismiss is granted.

13. Despite its dismissal as a party to this proceeding, the partners of S&S and/or the owners of its assets may request the right to appear and be heard in this proceeding as non-party participants pursuant to ARSD 20:10:01:15.06.

It is therefore

ORDERED, that the Company's Motion to Dismiss S&S Communications as an intervenor party to this proceeding is granted and S&S Communications is accordingly dismissed as an intervenor party.

PLEASE TAKE NOTICE that this Order was duly entered on the 9th day of September, 2003. Pursuant to SDCL 1-26-32, this Order will take effect 10 days after the date of receipt or failure to accept delivery of the decision by the parties.

---	--

On June 20, 2002, Sanborn Telephone Cooperative and SANCOM, Inc. (Sanborn/SANCOM) filed for approval by the Public Utilities Commission (Commission) its 2001 Intrastate Switched Access Cost Study. On November 25, 2002, Sanborn/SANCOM filed an amended 2001 Intrastate Switched Access Cost Study.

On June 27, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of July 12, 2002, to interested individuals and entities. On July 9, 2002, the Commission received a Petition to Intervene from S&S Communications (S&S). At a regularly scheduled meeting of July 23, 2002, the Commission granted intervention to S&S. The Commission also voted to assess a filing fee as requested by the Executive Director up to the statutory limit of \$100,000. On July 11, 2003, the Commission received a Motion to Dismiss S&S as intervenor in this proceeding from Sanborn/SANCOM. At its regularly scheduled meeting of August 19, 2003, the Commission granted the Motion to Dismiss. Staff filed a memorandum on September 3, 2003, with the concurrence of the company, setting forth a recommended revenue requirement and minutes of use. The Commission considered this matter at its September 16, 2003, meeting.

The Commission has jurisdiction over this matter pursuant to SDCL 1-26-17.1, 49-1A-9, 49-31-12.4, 49-31-12.6, 49-31-18, 49-31-19 and ARSD 20:10:01:15.02, 20:10:01:15.05, 20:10:27:07 and 20:10:27:08. Upon review of Sanborn/SANCOM's filing, the Commission found that the revenue requirement and minutes of use as depicted in Staff's memorandum were fair and reasonable and should be approved. As the Commission's final decision in this matter, it is therefore

ORDERED, that Sanborn/SANCOM's revenue requirement and minutes of use are hereby approved as revised and shall be incorporated in the Local Exchange Carriers Association's determination of switched access rates. (See TC02-090.)
