Applicant further requests that the Commission approve its initial proposed tariff. Applicant, for purposes of verification, and in evidence of its fitness to operate and the public need for its services, offers the following information in support of this Application:

Description of Authority Requested

5. Applicant seeks authority to operate as a reseller of intrastate telecommunications services to the public on a statewide basis. Applicant seeks authority to offer a full range of "1+" interexchange telecommunications services on a resale basis. Specifically, Applicant seeks authority to provide MTS, in-WATS, out-WATS, and Calling Card services.

6. Applicant does not intend to provide operator services, 900 or 700 services.

7. Applicant owns no transmission facilities. Applicant will offer service to its subscribers using facilities of the communications networks of Network IP—Qwest, other facilities-based IXC's and the local exchange telephone companies ("LECs").

8. Applicant has no plans at this time to construct any telecommunications transmission facilities of its own and seeks no construction authority by means of this Application. Applicant will operate exclusively as a reseller.

9. Applicant will abide by all rules governing telecommunications resellers, which the Commission has promulgated or may promulgate in the future, unless application of such rules is specifically waived by the Commission.

Proposed Services

10. Applicant intends to offer MTS, in-WATS, out-WATS, and Calling Card services to subscribers within South Dakota. Applicant combines high quality transmission services with very competitive rates, flexible end user billing, professional customer service and excellent reporting to create a unique blend, which meets the individualized needs of such customers.

11. Applicant's services are designed to be especially attractive to residential and business users.

12. Applicant's intends to engage in "switchless" resale. Applicant will arrange for the traffic of underlying subscribers to be routed directly over the networks of Applicant's network providers.

13. Applicant is committed to the use of ethical sales practices. All distributors of its products must commit in writing to market Applicant's services in a professional manner, and to fairly and accurately portray Applicant's services and the charges for them.

In support of Applicant's managerial and technical ability to provide the services for which authority is sought herein, Applicant submits a description of the background and experience of its management as **Exhibit C**. In support of Applicant's financial ability to provide the proposed services, Applicant attaches a recent Balance Sheet as **Exhibit D**.

Public Interest Considerations

15. Applicant's entry into the South Dakota marketplace is in the public interest because Applicant intends to make a uniquely attractive blend of service quality, network management and reporting, and low rates available.

16. In addition to the direct benefits delivered to the public by its services, Applicant's entry into the South Dakota marketplace will benefit the public indirectly by increasing the competitive pressure felt by existing IXCs, spurring them to lower costs and improve services in response.

Requested Regulatory Treatment

17. Applicant is a non-dominant reseller of interexchange telecommunications services. Applicant requests to be regulated by the Commission in the same relaxed fashion extended to other, similarly situated resellers.

Initial Proposed Tariff

18. Applicant proposes to offer service pursuant to the rules, regulations, rates and other terms and conditions included in Applicant's initial proposed tariff, which is attached hereto as **Exhibit E**. - 2.1.1. Intrastate Telecommunications Service ("Service") is the furnishing of Company communication Services contained herein between specified locations under the terms of this Tariff.
- 2.1.2. Any member of the general public (including any natural person or legally organized entity such as a corporation, partnership, or governmental body) is entitled to obtain Service under this Tariff, provided that the Company reserves the right to deny Service: (A) to any Customer that, in the Company's reasonable opinion, presents an undue risk of nonpayment, (B) in circumstances in which the Company has reason to believe that the use of the Service would violate the provisions of this Tariff or any applicable law or if any applicable law restricts or prohibits provision of the Service, or (C) if insufficient facilities are available to provide the Service (in such cases Company shall make best efforts to accommodate the needs of all potential Customers by means of facility improvements or purchases, of capacity, if such efforts will, in the Company's opinion, provide the Company with a reasonable return on its expenditures), but only for so long as such unavailability exists.
- 2.1.3. Company, when acting at the Customer's request and as its authorized agent, will make reasonable efforts to arrange for Service requirements, such as special routing, Diversity, Alternate Access, or circuit conditioning.
- 2.1.4. Service is offered in equal access exchanges subject to the availability of facilities and the provisions of this Tariff. Company reserves the right to refuse to provide Service to or from any location where the necessary facilities and/or equipment are not available.
- 2.1.5. Service may be discontinued after five business days written notice to the Customer if:
- 2.1.5.A. the Customer is using the Service in violation of this Tariff; or
- 2.1.5.B. the Customer is using the Service in violation of the law or Commission regulation.
- 2.1.6. Service begins on the date that billing becomes effective and is provided on the basis of a minimum period of at least one month, 24 hours per day. For the purposes of computing charges in this Tariff, a month is considered to have 30 days.

- 2.1.7. Service will be provided until canceled, by the Customer on not less than thirty (30) days' written notice from the date of postmark on the letter giving notice of cancellation.
- 2.1.8. Nothing herein, or in any other provision of this Tariff, or in any marketing materials issued by the Company shall give any person any ownership, interest, or proprietary right in any code or 800 number issued by the Company to its Customers.
- 2.1.9. The Company reserves the right to discontinue furnishing Services or billing options, upon written notice, when necessitated by conditions beyond its control. Conditions beyond the Company's control include, but are not limited to, a Customer's having Call volume or a calling pattern that results, or may result, in network blockage or other Service degradation which adversely affects Service to the calling party, the Customer, or other Customers of the Company.
- 2.1.10. Except as otherwise provided in this Tariff or as specified in writing by the party entitled to receive Service, notice may be given orally or in writing to the persons whose names and business addresses appear on the executed Service order and the effective date of any notice shall be the date of delivery of such notice, not the date of mailing. By written notice, Company or Customer may change the party to receive notice and/or the address to which such notice is to be delivered. In the event no Customer or Company address is provided in the executed Service order, notice shall be given to the last known business address of Customer or, as appropriate.

2.2. Other Terms and Conditions

- 2.2.1. The name(s) of the Customer(s) desiring to use the Service must be stipulated in the Application for Service.
- 2.2.2. The Customer agrees to operate the Company provided equipment in accordance with instructions of the Company or the Company's agent. Failure to do so will void the Company liability for interruption of Service and may make Customer responsible for damage to equipment pursuant to Section 2.2.3 below.
- 2.2.3. Customer agrees to return to the Company all Company-provided equipment delivered to Customer within five (5) days of termination of the Service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to Customer, normal wear and tear only excepted. Customer shall reimburse the Company, upon demand, for any costs incurred by the Company due to Customer's failure to comply with this provision.

- 2.2.4. A Customer shall not use any service-mark or trademark of the Company or refer to the Company in connection with any product, equipment, promotion, or publication of the Customer without prior written approval of the Company.
- 2.2.5. - 2.2.6. The provision of Service will not create a partnership or joint venture between the Company and the Customer nor result in joint Service offerings to their respective Customers.
- 2.2.7. The rate or volume discount level applicable to a Customer for a particular Service or Services shall be the rate or volume discount level in effect at the beginning of the monthly billing period applicable to the Customer for the particular Service or Services. When a Service is subject to a minimum monthly charge, account charge, port charge or other recurring charge or Nonrecurring Charge for both intrastate and interstate Service, only one such charge shall apply per account and that charge shall be the interstate charge.
- 2.2.8. Service requested by Customer and to be provided pursuant to this Tariff shall be requested on Company Service Order forms in effect from time to time or Customer's forms accepted in writing by an authorized headquarters representative of the Company (collectively referred to as "Service Orders").
- 2.2.9. If an entity other than the company (e.g., another carrier or a supplier) imposes charges on the Company in connection with a Service that entity's charges will be passed through to the Customer also.
- 2.2.10. The Service Commitment Period for any Service shall be established by the Service Order relevant thereto and commence on the Start of Service Date. Upon expiration, each Service Commitment Period for such Service shall automatically be extended subject to written notice of termination by either Company or Customer as of a date not less than thirty (30) days after delivery of said notice to the other. The charges for Interexchange Service during any such extension shall not exceed the then current Company month-to-month charges applicable to such Service.

2.3. Liability

- 2.3.1. Except as provided otherwise in this Tariff, the Company shall not be liable to Customer or any other person, firm or entity for any failure of performance hereunder if such failure is due to any cause or causes beyond the reasonable control of the Company. Such causes shall include, without limitation, acts of God, fire, explosion, vandalism, cable cut, storm or other similar occurrence, any law, order, regulation, direction, action or request of the United States government or of any other government or of any civil or military authority, national emergencies, insurrections, riots, wars, strikes, lockouts or work stoppages or other labor difficulties, supplier failures, shortages, breaches or delays, or preemption of existing Services to restore service in compliance with Part 64, Subpart D, Appendix A, of the FCC's Rules and Regulations.
- 2.3.2. With respect to the Services contained herein and except as otherwise provided herein, the Company's liability shall not exceed an amount equal to the charge applicable to a one minute Call to the Called Station at the time the affected Call was made. If the initial minute rate is higher than the additional minute rate, the higher rate shall apply. For those Services with monthly recurring charges, the Company's liability is limited to an amount equal to the proportionate monthly recurring charges for the period during which Service was affected.
- 2.3.3. The Company is not liable for any act or omission of any other company or companies (including any Company affiliate that is a participating or concurring carrier) furnishing a portion of the Service or facilities, equipment, or Services associated with such Service.
- 2.3.4. The Customer is responsible for taking all necessary legal steps for interconnecting the Customer provided terminal equipment with the Company facilities. The Customer shall ensure that the signals emitted into the Company's network do not damage Company equipment, injure personnel or degrade Service to other Customers. The Customer is responsible for securing all licenses, permits, rights-of-way, and other arrangements necessary for such interconnection. In addition, the customer shall comply with applicable LEC signal power limitations.
- 2.3.5. The Company may rely on Local Exchange Carriers or other third parties for the performance of other Services such as Local Access. Upon Customer request and execution and delivery of appropriate authorizing documents, the Company may act as agent for Customer in obtaining such other Services. Customer's liability for charges hereunder shall not be reduced by untimely Installation or non-operation of Customer provided facilities and equipment.

- 2.3.6. The failure to give notice of default, to enforce or insist upon compliance with any of the terms or conditions herein, the waiver of any term or conditions herein, or the granting of an extension of time for performance by the Company or the Customer shall not constitute the permanent waiver of any term or condition herein. Each of the provisions shall remain at all times in full force and effect until modified in writing.
- 2.3.7. The Company shall not be liable to the Customer or any other person, firm or entity in any respect whatsoever as a result of mistakes, accidents, errors, omissions, interruptions, delays, or defects in Service (collectively "Defects"). Defects caused by or contributed to, directly or indirectly, by any act or omission of Customer or its customers, affiliates, agents, representatives, invitees, licensees, successors or assigns or which arise from or are caused by the use of facilities or equipment of Customer or related parties shall not result in the imposition of any liability whatsoever upon the Company, and Customer shall pay to the Company any reasonable costs, expenses, damages, fees or penalties incurred by the Company as a result thereof, including penalties incurred by the Company as a result thereof, including costs of Local Access Providers' labor and materials. In addition, all or a portion of the Service may be provided over facilities of third parties, or sold by third parties, and the Company shall not be liable to Customer or any other person, firm or entity in any respect whatsoever arising out of Defects caused by such third parties. THE COMPANY SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, PUNITIVE OR ANY OTHER DAMAGES, OR BUSINESS INTERRUPTION, FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER ARISING OUT OF ANY DEFECTS OR ANY OTHER CAUSE. THE COMPANY'S LIABILITY, IF ANY, WITH REGARD TO THE DELAYED INSTALLATION OF THE COMPANY'S FACILITIES OR COMMENCEMENT OF SERVICE SHALL NOT EXCEED \$1,000. THIS WARRANTY AND THESE REMEDIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES OR REMEDIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. IN THE EVENT OF AN INTERRUPTION IN SERVICE OR ANY DEFECT IN THE SERVICE WHATSOEVER, NEITHER COMPANY NOR ANY AFFILIATED OR UNAFFILIATED THIRD PARTY, THIRD PARTY PROVIDER OR OPERATOR OF FACILITIES EMPLOYED IN THE PROVISION OF THE SERVICE SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, PUNITIVE OR ANY OTHER DAMAGES, OR FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER.

- 2.3.8. With respect to the routing of Calls by the Company to public safety answering points or municipal Emergency Service providers, Company liability, if any, will be limited to the lesser of: (a) the actual monetary damages incurred and proved by the Customer as the direct result of the Company's action, or failure to act, in routing the Call, or (b) the sum of \$1,000.00.
- 2.3.9. In the event parties other than Customer (e.g., Customer's customers) shall have use of the Service directly or indirectly through Customer, then Customer agrees to forever indemnify and hold Company and any affiliated or unaffiliated third-party, third-party provider or operator of facilities employed in provision of the Service harmless from and against any and all claims, demands, suits, actions, losses, damages, assessments or payments which may be asserted by said parties arising out of or relating to any Defects.
- 2.3.10. In the event that Company is required to perform a Circuit redesign due to inaccurate information provided by the Customer; or, circumstances in which such costs and expenses are caused by the Customer or reasonably incurred by the Company for the benefit of the Customer, the Customer is responsible for the payment of all such charges.

2.4. Cancellation of Service by a Customer

- 2.4.1. If a Customer cancels a Service Order before the Service begins, before completion of the Minimum Period, or before completion of some other period mutually agreed upon by the Customer and the Company, a charge will be levied upon the Customer for the nonrecoverable portions of expenditures or liabilities incurred expressly on behalf of the Customer by the Company and not fully reimbursed by Installation and monthly charges. If, based on a Service order by a Customer, any construction has either begun or been completed, but no Services provided, the nonrecoverable costs of such construction shall be borne by the Customer.
- 2.4.2. Upon thirty (30) days' prior written notice, either Customer or Company shall have the right, without cancellation charge or other liability, to cancel the affected portion of the Service, if the Company is prohibited by governmental authority from furnishing said portion, or if any material rate or term contained herein and relevant to the affected Service is substantially changed by order of the highest court of competent jurisdiction to which the matter is appeal, the Federal Communications Commission, or other local, state or federal government authority.

2.5. Cancellation, for Cause by the Company

2.5.1. Upon nonpayment of any sum owing to the Company, or upon a violation of any of the provisions governing the furnishing of Service under this Tariff, the Company may, upon five business days written notification to the Customer, except in extreme cases, without incurring any liability, immediately discontinue the furnishing of such Service. The written notice may be separate and

Apart from the regular monthly bill for service, Customer shall be deemed to have canceled Service as of the date of such disconnection and shall be liable for any cancellation charges set forth in this Tariff.

2.5.2. Without incurring any liability, the Company may discontinue the furnishing of Service(s) to a Customer upon five business days written notice if the Company deems that such action is necessary to prevent or to protect against fraud or to otherwise protect its personnel, agents, facilities or Services under the following circumstances, except under extreme cases where the customer may be disconnected immediately and without notice:

2.5.2.A. if the Customer refuses to furnish information to the Company regarding the Customer's credit-worthiness, its past or current use of common carrier communications Services or its planned use of Service(s);

2.5.2.B. if the Customer provides false information to the Company regarding the Customer's identity, address, credit-worthiness, past or current use of Customer communications Services, or its planned use of the Company Service(s);

2.5.2.C. if the Customer states that it will not comply with a request of the Company for reasonable security for the payment for Service(s);

2.5.2.D. if the Customer has been given five business days written notice in a separate mailing by the Company of any past due amount (which remains unpaid in whole or in part) for any of the Company's communications Services to which the Customer either subscribes or had subscribed or used;

2.5.2.E. in the event of unauthorized use.

2.5.2.F. Following the disconnection of service for any of these reasons, the Company or the local exchange utility acting as Company agent, will notify the telephone user/customer that service was disconnected and why. The notice will include all reasons for the disconnection and will include a toll-free number where an end user/customer can obtain additional information. Notice shall be deemed given upon deposit, postage prepaid, in the U.S. Mail to the end user's/customer's last known address and in compliance with the Commission's rules.

2.5.3. The discontinuance of Service(s) by the Company pursuant to this Section does not relieve the Customer of any obligations to pay the Company for charges due and owing for Service(s) furnished up to the time of discontinuance. The remedies set forth herein shall not be exclusive and the Company shall at all times be entitled to all rights available to it under either law or equity.

2.6. Credit Allowance

2.6.1. Credit allowance for the interruption of Service is subject to the general liability provisions set forth in this Tariff. Customers shall receive no credit allowance for the interruption of service that is due to the Company's testing or adjusting, negligence of the Customer, or to the failure of channels or equipment provided by the Customer. The Customer should notify the Company when the Customer is aware of any interruption in Service for which a credit allowance is desired. Before giving such notice, the Customer shall ascertain that the trouble is not being caused by any action or omission within Customer's control, or is not in wiring or equipment, if any, furnished by the Customer in connection with the Company's Services.

2.6.2. No credit is allowed in the event service must be interrupted in order to provide routine service quality or related investigations.

2.6.3. No credit shall be allowed:

2.6.3.A. For failure of services or facilities of Customer; or

2.6.3.B. For failure of services or equipment caused by the negligence or willful acts of Customer.

2.6.4. Credit for an interruption shall commence after Customer notifies Company of the interruption and ceases when services have been restored.

2.6.5. Credits are applicable only to that portion of Service interrupted.

- 2.6.6. For purposes of credit computation, every month shall be considered to have 720 hours.
- 2.6.7. No credit shall be allowed for an interruption of a continuous duration of less than two hours.
- 2.6.8. The Customer shall be credited for an interruption of two hours or more at a rate of 1/720th of the monthly recurring charge for the service affected for each hour or major fraction thereof that the interruption continues. Calculations of the credit shall be made in accordance with the following formula.

Credit Formula:

$$\text{Credit} = \frac{A \times B}{720}$$

"A" = outage time in hours

"B" = total monthly charge for affected facility

2.7. Use of Service

- 2.7.1 The Services offered herein may be used for any lawful purpose, including residential, business, governmental, or other use. There are no restrictions on sharing or resale of Services. However, the Customer remains liable for all obligations under this Tariff notwithstanding such sharing or resale and regardless of the Company's knowledge of same. The Company shall have no liability to any person or entity other than the Customer and only as set forth in Section 2.3. The Customer shall not use nor permit others to use the Service in a manner that could interfere with Services provided to others or that could harm the facilities of the Company or others.
- 2.7.2. Service furnished by the Company may be arranged for joint use or authorized use. The joint user or Authorized User shall be permitted to use such Service in the same manner as the Customer, but subject to the following:
- 2.7.2.A. One joint user or Authorized User must be designated as the Customer.

- 2.7.2.B. All charges for the Service will be computed as if the Service were to be billed to one Customer. The joint user or Authorized User that has been designated as the Customer will be billed for all components of the Service and will be responsible for all payments to the Company. In the event that the designated Customer fails to pay the Company, each joint user or Authorized User shall be liable to the Company for all charges incurred as a result of its use of the Company's Service.
- 2.7.3. In addition to the other provisions in this Tariff, Customers reselling Company Services shall be responsible for all interaction and interface with their own subscribers or customers. The provision of the Service will not create a partnership or joint venture between Company and Customer nor result in a joint communications Service offering to the Customers of either the Company or the Customer.
- 2.7.4. Service furnished by the Company shall not be used for any unlawful or fraudulent purposes.
- 2.7.5. The Customer will be billed directly by the LEC for certain Dedicated Access arrangements selected by the Customer for the provisioning of direct access arrangements. In those instances where the Company at the Customer's request may act as agent in the ordering of such arrangements, the Company will bill the Customer Local Access charges.
- 2.8. Payment Arrangements
- 2.8.1. The Customer is responsible for payment of all charges for Services furnished to the Customer or its joint or Authorized Users. This responsibility is not changed due to any use, misuse, or abuse of the Customer's Service or Customer provided equipment by third parties, the Customer's employees, or the public.
- 2.8.2. The Company's bills are due upon receipt. Amounts not paid within 30 days from the Bill Date of the invoice will be considered past due. Customers will be assessed a late fee on past due amounts in the amount not to exceed the maximum lawful rate under applicable state law. If a Customer presents an undue risk of nonpayment at any time, the Company may require that Customer to pay its bills within a specified number of days and to make such payments in cash or the equivalent of cash.

- 2.8.3. In determining whether a Customer presents an undue risk of nonpayment, the Company shall consider the following factors: (A) the Customer's payment history (if any) with the Company and its affiliates, (B) Customer's ability to demonstrate adequate ability to pay for the Service, (C) credit and related information provided by Customer, lawfully obtained from third parties or publicly available, and (D) information relating to Customer's management, owners and affiliates (if any).
- 2.8.4. Disputes with respect to charges must be presented to the Company in writing within thirty days from the date the invoice is rendered or such invoice will be deemed to be correct and binding on the Customer.
- 2.8.5. If a LEC has established or establishes a Special Access surcharge, the Company will bill the surcharge beginning on the effective date of such surcharge for Special Access arrangements presently in Service. The Company will cease billing the Special Access surcharge upon receipt of an Exemption Certificate or if the surcharge is removed by the LEC.
- 2.8.6. In the event the Company incurs fees or expenses, including attorney's fees, in collecting, or attempting to collect, any charges owed the Company, the Customer will be liable to the Company for the payment of all such fees and expenses reasonably incurred.
- 2.8.7. Company will not require deposits or advance payments by Customers for Services.
- 2.9. Assignment
- 2.9.1. The obligations set forth in this Tariff shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns, provided, however, the Customer shall not assign or transfer its rights or obligations without the prior written consent of the Company.
- 2.10. Tax and Fee Adjustments
- 2.10.1. All state and local taxes (i.e., gross receipts tax, sales tax, municipal utilities tax) are listed as separate line items and are not included in the quoted rates.

- 2.10.2. If at any future time a municipality acquires the legal right to impose an occupation tax, license tax, permit fee, franchise fee or other similar charge upon the Carrier, and imposes the same by ordinance or otherwise, such taxes, fees or charges shall be billed to the end users receiving service within the territorial limits of such municipality. Such billing shall allocate the tax, fee or charge among end users uniformly on the basis of each end user's monthly charges for the types of service made subject to such tax, fee or charge.
- 2.10.3. If at any future time a county or other local taxing authority acquires the legal right to impose an occupation tax, license tax, permit fee, franchise fee or other similar charge upon the Carrier, and imposes the same by ordinance or otherwise, such taxes, fees or charges shall be billed to the end users receiving service within the territorial limits of such county or other taxing authority. Such billing shall allocate the tax, fee or charge among end users uniformly on the basis of each end user's monthly charges for the types of service made subject to such tax, fee or charge.
- 2.10.4. When utility or telecommunications assessments, franchise fees, or privilege, license, occupational, excise, or other similar taxes or fees, based on interstate or intrastate receipts are imposed by certain taxing jurisdictions upon the Company or upon local exchange companies and passed on to the Company through or with interstate or intrastate access charges, the amounts of such taxes or fees will be billed to Customers in such a taxing jurisdiction on a prorated basis. The amount of charge that is prorated to each Customer's bill is determined by the interstate or intrastate telecommunications service provided to and billed to an end user/customer service location in such a taxing jurisdiction with the aggregate of such charges equal to the amount of the tax or fee imposed upon or passed on to the Company.
- 2.10.5. When any municipality, or other political subdivision, local agency of government, or department of public utilities imposes upon and collects from the Company a gross receipts tax, occupation tax, license tax, permit fee, franchise fee or regulatory fee, such taxes and fees shall, insofar as practicable, be billed pro rata to the Company's Customers receiving service within the territorial limits of such municipality, other political subdivision, local agency of government, or public utility commission.

2.10.6. The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amount it is required by governmental or quasi-government authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Primary Interexchange Carrier Charge, and compensation to payphone service providers for use of their payphones to access the Company's services.

2.11. Method for Calculation of Airline Mileage

2.11.1. The airline mileage between two cities can be calculated using the Vertical (V) and Horizontal (H) coordinates of the serving wire centers associated with the Company's POP locations. The method for calculating the airline mileage is obtained by reference to AT&T's Tariff F.C.C. No. 10 in accordance with the following formula:

$$\text{the square root of: } \frac{(V1-V2)^2 + (H1-H2)^2}{10}$$

where V1 and H1 correspond to the V&H coordinates of City 1 and V2 and H2 correspond to the V&H coordinates of City 2.

Example:

	<u>V</u>	<u>H</u>
City 1	5004	1406
City 2	5987	3424

$$\text{the square root of: } \frac{(5004-5987)^2 + (1406-3424)^2}{10}$$

The result is 709.83 miles. Any fractional miles are rounded to the next higher whole number; therefore, the airline mileage for this example is 710 miles.

2.12. Time of Day Rate Periods

2.12.1. Time of Day Rate Periods are determined by the time of day at the location of the Calling Station.

The rates shown in Section 4 apply as follows:

DAY: From 8:01 AM to 5:00 PM Monday - Friday

Appropriate recurring charges and/or Nonrecurring Charges and other terms and conditions will be developed for the Customer for the provisioning of such arrangements.

CONSUMER COMPLAINTS

CN02-002 In the Matter of the Complaint filed by Kevin Ohm on behalf of Tyler TV & Appliance, Inc., Brookings, South Dakota, against NorthWestern Energy Regarding Billing.

Complainant's representative states that NorthWestern Energy bills Tyler TV & Appliance, Inc. (Tyler) for service without any explanation. Complainant's representative also feels that the amount of time to pay Tyler's bill after receiving a statement is not adequate thus leaving Complainant with late fees. Complainant's representative requests that Tyler's billing date be changed and that Tyler be given 30 days for Tyler's payment to post, and that an explanation of charges be put on Tyler's monthly bill.

CT02-027 In the Matter of the Complaint filed by Judith McFarland, Sioux Falls, South Dakota, against McLeodUSA Telecommunications Services, Inc. Regarding Billing, Delay in Disconnect and Poor Customer Service.

Complainant states that on May 8, 2002, she contacted McLeod to cancel her service that day since she had switched her service to a new provider. When Complainant spoke to the McLeod representative, she was told not to pay her bill because it was for service during the upcoming month when she would be with her new provider. When Complainant received another bill from McLeod, Complainant had a 3-way conversation with her new provider and McLeod to clear up the billing problem. The McLeod representative said that the billing would be taken care of. During this conversation, the Complainant requested that a recording be added to her old number announcing what her new number was. When this was added to the line, it took one month for the announcement to be placed on the line and the announcement was giving out an incorrect new phone number. Complainant continued to get billings from McLeod and as of July 24, 2002, the announcement was still giving out an incorrect new phone number. Complainant feels that she should be compensated because of her frustration regarding this matter.

CT02-028 In the Matter of the Complaint filed by Sharon Gray, Vermillion, South Dakota, against UKI Communications, Inc. Regarding Unauthorized Switching of Services.

Complainant states that her service was switched to UKI without proper authorization. Complainant received a copy of the voice recorded authorization from UKI and she was surprised to hear her voice on the recording. She is 100% sure that she did not switch her service to UKI. The Complainant feels the sound quality when the sales person was speaking is of a different sound quality than when she is speaking. She feels that the tape has been spliced together or dubbed onto the portions where she was speaking. When asked to provide Complainant's mother's maiden name, Complainant states that she did not give her mother's maiden name and said "hello." Complainant requests that the company pay her \$1,500.00 for the switch in service or if the matter is not resolved, she would like to have a hearing before the PUC Commissioners and be reimbursed for expenses to come to the hearing.

CT02-029 In the Matter of the Complaint filed by Virginia Crow, Pierre, South Dakota, against McLeodUSA Telecommunications Services, Inc. Regarding Delayed Service and Billing.

Complainant states that in May 2002, she requested phone service from McLeod. McLeod informed her that the service would be connected on June 3, 2002. When service was not connected, McLeod stated that the order was lost and that service would be connected on June 7, 2002. Service was not connected on June 7th. On or about June 10th, McLeod told her that service was connected and that she would have to pay an additional \$95.00 to have the technician connect service to the apartment. Complainant informed McLeod to cancel the service request as she would be changing providers. Complainant received a bill from McLeod and talked to a McLeod representative informing her not to pay the bill and that he would take care of it. Complainant received another bill from McLeod and the charges were not removed. Complainant states that she never had dial tone service with McLeod and the charges should be removed.

CT02-030 In the Matter of the Complaint filed by Jeanette Stearns on behalf of Lange & Speidel Bookkeeping & Tax Service, Belle Fourche, South Dakota, against Qwest Corporation Regarding Billing.

Complainant's representative states that after receiving a letter from Qwest offering Lange & Speidel Bookkeeping & Tax Service (Lange & Speidel) a CustomChoice package with the area-wide calling plan, Lange & Speidel agreed to the service. Complainant's representative was told that the service would go into effect on November 24, 2000. Complainant never received the free area-wide calling plan and continued to be billed by Quantum Link for its in-state long distance calls. On December 19, 2000, Complainant received a letter from Qwest confirming its order for the Calling Connection Plan. Complainant did not receive the benefits of the Calling Connection Plan. On September 20, 2001, Complainant's representative spoke to Qwest about the billing problems and was told that the Complainant could not have both of the plans offered by Qwest. Complainant's representative attempted to get credit for the over-billing, but Qwest was unwilling to refund the charges. Complainant's representative calculated the over-charges from Qwest and requests that Qwest reimburse Lange & Speidel for all of Qwest billing errors in the amount of \$1,090.47.

CT02-031 In the Matter of the Complaint filed by Lyle D. Dabbert on behalf of Brown & Saenger, Sioux Falls, South Dakota, against Qwest Corporation Regarding Billing.

Complainant's representative states that Brown & Saenger was back-billed by Qwest \$8,071.87 for charges dating back to November 1999, for Brown & Saenger's T-1 service. If charges would have been billed monthly, Complainant's representative states that Brown & Saenger would have canceled its service for the T-1. Qwest is also billing Complainant \$125.00 per month as a late payment charge. Complainant's representative requests that the charges be removed from Brown & Saenger's billing because the Complainant would have canceled the billing after one month of service once it became aware of the expense.

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE APPLICATION OF)	ORDER GRANTING
TRALEE TELEPHONE COMPANY, LLC FOR A)	CERTIFICATE OF
CERTIFICATE OF AUTHORITY TO PROVIDE)	AUTHORITY
INTEREXCHANGE TELECOMMUNICATIONS)	
SERVICES IN SOUTH DAKOTA)	TC02-103

On August 12, 2002, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Tralee Telephone Company, LLC (TTC).

TTC proposes to offer a full range of "1+" interexchange telecommunications services on a resale basis. A proposed tariff was filed by TTC. The Commission has classified long distance service as fully competitive.

On August 15, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of August 30, 2002, to interested individuals and entities. No petitions to intervene or comments were filed and at its October 17, 2002, meeting, the Commission considered TTC's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that TTC has met the legal requirements established for the granting of a certificate of authority. TTC has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves TTC's application for a certificate of authority, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that TTC's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that TTC not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that TTC shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 31st day of October, 2002.
