RE: TC05-153, In the Matter of the Review of the Implementation of 811 as a National Abbreviated Dialing Code for One Call Notification

Dear Ms. Van Gerpen:

TC05-153 required telecommunications companies to notify the Commission of the date by which they are able to implement 811. Once Three River Telco knows the number to which the 811 call is to be routed, it will be able to implement 811 abbreviated dialing within five days.

Sincerely,

Neil Classen  
General Manager
