Re: Implementation of 811 Docket No. TC05-153
360networks (USA) inc.

Dear Commission Secretary:

This responds to the Commission's Order requesting additional comments and requiring implementation dates from Telecommunications Carriers under Docket No. TC05-153.

360networks (USA) inc. ("360networks") does not currently provide local service in the State of SD and cannot at this time pinpoint the date that 811 service will be made available. However, 360networks intends to comply with the Commission's rules and will implement the 811 service as it launches its local service products.

If you have any questions regarding this response, please contact me directly at 303-854-5210 or via email at charles.forst@360.net.

Respectfully,
