RE: Docket TC06-159
Venture Communications Cooperative's Petition for Arbitration
GPGN File No. 5925.060537

Dear Ms. Van Gerpen:

On behalf of WWC License, LLC, I have conferred with Mr. Coit regarding SDTA's request for intervention as WWC was considering objecting to the intervention.

In conversations with Mr. Coit, he has agreed that if allowed to intervene SDTA will not participate in any pre-hearing discovery, will call no witnesses at the hearing, will not cross-examine any witnesses called by Venture, and SDTA's cross-examination of any WWC witnesses will not be redundant of Venture's counsel's examination. If requested to by counsel for Venture, Mr. Coit reserves the right to direct a Venture witness with the understanding that the Venture's counsel will then not submit additional direct on that witness.

SDTA would be able to be present at all hearings and motions and have the right to argue and brief on procedural and substantive matters that may arise in the proceeding. This includes final briefing on the record.

Based on this agreement, Alltel will not object to the intervention so long as the intervention order sets forth these restrictions. Mr. Coit has reviewed and approved this letter. If you have any questions on this agreement, please let me know.

Sincerely,
