COMES NOW the Applicant, MCC Telephony of the Midwest, Inc., d/b/a Mediacom, and moves the Commission for an Order consolidating the hearings in the above-captioned docket and TC06-178.

The instant Motion is offered for the purpose of promoting an efficient use of resources for the Commissioners, Commission staff and the parties. The two dockets are related and intertwined. MCC proposes to provide service in the Swiftel territory utilizing the services of its vendor Sprint. Sprint is the applicant in TC06-178; consolidating these two hearings would provide the Commission with a full and clear understanding of the services proposed, would decrease the likelihood of repetitive testimony and would not prejudice any party. Applicant requests that the Commission consolidate the hearings and record for the purposes stated herein.
