RE: Docket TC06-047 (In the Matter of the Application of Aventure
Communication Technology, LLC for a Certificate of Authority to
Provide Local Exchange Services in South Dakota)

Dear Ms. Van Gerpen:

Pursuant to ARSD 20:10:32:04, Jefferson Telephone Company d/b/a Long Lines
(Jefferson Telephone) requests intervention in the above referenced PUC Docket.

Aventure Communication Technology (Aventure), by its application for local exchange
service authority, is requesting certification in the exchange of Jefferson, South Dakota.
Jefferson Telephone currently operates as the incumbent local exchange carrier in that
exchange, and accordingly, is entitled to intervention in the pending PUC proceeding
without having to file a complete, formal petition to intervene.

Ten (10) copies of this letter are attached.

Thank you for your assistance in this matter.

Sincerely,

Tom Connors
