RE: Docket TC06-047 (In the Matter of the Application of Aventure  
Communication Technology, LLC for a Certificate of Authority to  
Provide Local Exchange Services in South Dakota)

Dear Ms. Van Gerpen:

Pursuant to ARSD 20:10:32:04, PrairieWave Community Telephone, Inc. d/b/a  
PrairieWave ("PrairieWave") requests intervention in the above referenced PUC Docket.

Aventure Communication Technology (Aventure), by its application for local exchange  
service authority, is requesting certification in the exchanges of Gayville, Alsen, Irene  
and Wakonda, South Dakota. PrairieWave currently operates as the incumbent local  
exchange carrier in those exchanges, and accordingly, is entitled to intervention in the  
pending PUC proceeding without having to file a complete, formal petition to intervene.

PrairieWave understands that this petition is being filed late. We apologize for the late  
filing but believe that it is a necessary party in this matter.

Ten (10) copies of this letter are attached.

Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "William P. Heaston", is written over a horizontal line.
