

Long Lines Wireless, LLC (LLW)
TC06-184
Fourth Staff Data Request

- 4-1. Please explain how LLW will keep track of individuals who are physically located outside of LLW licensed service area as those individuals are not eligible for inclusion in the number of customers entitled to federal universal service support.
- 4-2. Todd County is not in LLW's licensed service area. Please explain why it is listed on Exhibit A.
- 4-3. In response to your answer of Data Request 3-6(c), a map that shows 90 by 90 coverage is a map that shows signal strength at 95 db where 90 percent of your users are by 90 percent of the coverage area.
- 4-4. Please provide the legal authority that will allow LLW to provide wireless service outside of its licensed service area.
