Re: Voluntary Cancellation of Certificate of Authority
ALLTEL Communications, Inc.
Docket No. TC00-198

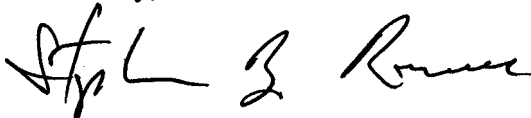

Dear :

ALLTEL Communications, Inc. ("ACI") requests, effective immediately or as soon as practical, to terminate the non-dominant Interexchange Carrier ("IXC") certificate referenced above.

ACI requests to surrender and terminate its certificate of authority to provide IXC services and cancellation of tariffs, if any, that it may have filed with the Commission. ACI has no IXC customers or operations in the state and therefore, no customers will be affected by this voluntary cancellation.

Please address any questions or correspondence to the undersigned at 501-905-8460 or the address (preferable email address) above.

Sincerely,

Stephen B. Rowell

TARIFF FORMAT

- A. Sheet Numbering** - Sheet numbers appear in the left corner of the sheet. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 13 and 14 would be 13.1.
- B. Sheet Revision Numbers** - Sheet Revision Numbers also appear in the upper left corner of each sheet. These numbers are used to determine the most current sheet version on file with the Commission. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets** - When a tariff filing is made with the Commission, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the sheets contained in the tariff with a cross reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The Tariff user should refer to the latest Check Sheet to find if a particular sheet is the most current on file with the Commission.

1. Application of Tariff

This tariff contains the regulations and rates applicable to the provision of Intrastate Long Distance Message Telecommunications Service ("LDMTS") as defined herein, by ALLTEL Communications, Inc. (the "Company"), from its Points of Presence to other points in the State of South Dakota. Service is furnished subject to the availability of facilities and subject to transmission, atmospheric, and like conditions.

2. Definitions

Certain terms used generally throughout this tariff are defined below:

Access Code - A sequence of numbers that, when dialed, connect the caller to the provider of services associated with that sequence.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the service used so that the Company may rate and bill the call. All Authorization Codes shall be the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Number Identification ("ANI") may be used as or in connection with the Authorization Code.

Billed Party - The person or entity responsible for payment for use of the Company's services. For a Direct Dialed Call, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call. In the case of a credit card call, the person or entity responsible for payment is the person to whom it is issued and the holder of the credit card used. In the case of third party call, the person or entity responsible for payment is the person responsible for payment for local telephone service at the telephone number that agrees to accept charges for the call. In the case of a Room Charge Call, the entity responsible for payment is the Aggregator controlling the telephone used to originate the call. In the case of all Operator Assisted Calls not involving credit cards, third party calls or Room Charge Calls, the person or entity responsible for payment is the Customer responsible for payment for local telephone service at the telephone used to originate the call.

2. Definitions (Cont'd)

Central Office - A Local Exchange Carrier switching system where Local Exchange Carrier customer station loops are terminated for purposes of interconnection to each other and to trunks.

Channel - A path for electrical transmission between two or more points, the path having a band width designed to carry voice grade transmission.

Commission - The South Dakota Public Utilities Commission.

Common Carrier - A company or entity providing telecommunications services to the public.

Credit Card Call - A Direct Dialed or Operator Assisted Call for which charges are billed not to the originating telephone number, but to a credit card, such as Visa or MasterCard, or to a LEC or interexchange carrier calling card.

Customer - The person, partnership, association, joint stock company, trust, corporation, governmental entity or other entity, that is responsible for payment of charges and for compliance with this tariff.

Customer - Provided Facilities - All communications facilities provided by the Customer and/or Authorized User other than those provided by the Company.

Exchange - A unit established by the Local Exchange Carrier for the administration of communications service in a specified area which usually embraces a city, town or village and its environments. It consists of one or more Central Offices together with the associated facilities used in furnishing communications service within that area.

Direct Dialed Call - A telephone call which is automatically completed and billed to the telephone number from which the call originated without the automatic or live assistance of an operator. This includes calls forwarded by call forwarding equipment.

3. General Regulations

3.1 Service Description

Intrastate Long Distance Message Telecommunications Service ("LDMTS") is offered to residential and business Customers of the Company to provide direct dialed calls placed between points in the United States. The Company provides switchless long distance network services for voice grade and low speed dial-up data transmission services. The Company does not undertake to transmit messages but furnishes the use of its services to its Customers for communications. All services are provided subject to the terms and conditions set out in this tariff.

3.2 Interconnection with Other Common Carriers

The Company reserves the right to interconnect its services with those of any Other Common Carrier, Local Exchange Carrier, or alternate access provider of its election, and to utilize such services concurrently with its own services for the provision of services offered herein.

3.3 Availability of Services

3.3.1 Services are furnished subject to the availability of the Service components required. The Company will: (1) determine which of those components shall be used and (2) make modifications to those components at its option.

3.3.2 Services are available twenty-four hours per day, seven days per week.

3. General Regulations (Cont'd)

3.4 Use of Services

3.4.1 The Company's Services may be used for any lawful purpose consistent with the transmission parameters of the telecommunications facilities utilized in the provision of the Services. All such usage shall be subject to the provisions of this tariff and the applicable rules, regulations and policies of the Public Utilities Commission. Customers and Authorized Users are prohibited from using, and by their acceptance or use of Service agree not to use, the Services furnished by the Company for any unlawful purpose or for any purpose prohibited under the provisions of any regulatory order.

3.4.2 The use of the Company's Services to make calls which might reasonably be expected to frighten, abuse, torment or harass another, or in such a way as to unreasonably interfere with use by others, is prohibited.

3.4.3 The use of the Company's Services without payment for Service, and all attempts to avoid payment for Service by, for example, fraudulent means or devices, schemes, false or invalid numbers or false calling or credit cards, are prohibited.

3.5 Undertaking of the Company

The Company undertakes to provide Intrastate Long Distance Message Telecommunications Service in accordance with the terms and conditions set forth in this tariff.

3. General Regulations (Cont'd)**3.6 Liability of the Company**

- 3.6.1 Except as stated in this Section 3.6, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this tariff.
- 3.6.2 The liability of the Company, if any, for damages resulting in whole or in part from or arising in connection with the furnishing of Service under this tariff (including but not limited to mistakes, omissions, interruptions, delays, errors or other defects in transmission, or failures or defects in facilities furnished by the Company) or arising out of any failure to furnish Service, shall be determined in accordance with SDCL section 49-13-1 and 49-13-1.1 and any other applicable law. However, any such mistakes, omissions, interruptions, delays, errors, or defects in transmission or service which are caused by the negligence or willful act or omission of Customer, or which arise from the use of Customer-provided facilities or equipment, shall not result in the imposition of any liability whatsoever upon the Company.
- 3.6.3 The Company is not liable for any act, omission or negligence of any Local Exchange Carrier or other provider whose facilities are used concurrently in furnishing any portion of the services received by Customer, or for the unavailability of or any delays in the furnishing of any services or facilities which are provided by any Local Exchange Carrier. Should the Company employ the service of any Other Common Carrier in furnishing the services provided to Customer, the Company's liability shall be limited according to the provisions of Section 3.6.2 above.
- 3.6.4. No agents or employees of connecting, concurring or other participating carriers or Company shall be deemed to be agents or employees of the Company without written authorization.

- (a) In the event of a condition determined by the Company to be hazardous or dangerous.
- (b) In the event of Customer use of equipment in such a manner as to adversely affect the Company's service to others.
- (c) In the event of unauthorized use of telephone service.

3.9.3 Service may be discontinued by the Company, without notice to the Customer, by blocking traffic to certain points, or by blocking calls using certain Customer Authorization Codes, when the Company deems it necessary to take action to prevent unlawful use of its Service. The Company may restore service as soon as it can be provided without undue risk.

3.9.4 If, for any reason, Service is interrupted, the Customer will be charged only for the Service that was actually used.

3.9.5 Service will be terminated only on Monday through Friday between the hours of 8:00AM and 4:00PM, unless provisions have been made to have someone available to accept payment and reconnect service.

3.9.6 Without incurring liability, the Company may interrupt the provision of Services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of the Customer's and/or the Company's equipment and facilities, and may continue such interruption until any items of noncompliance or improper equipment operation so identified are rectified.

4.6 Customer's Liability in the Event of Denial of Access to Service by the Company

In the event Customer's service is disconnected by the Company for any of the reasons stated in Section 4.5, Customer shall be liable for all unpaid charges due and owing to the Company associated with the service. Customer's deposit and accrued interest shall be applied to all cancellation charges applicable to the service offering received by Customer.

4.7 Reinstitution of Service

If Customer seeks reinstatement of service following denial of service by the Company, Customer shall pay to the Company prior to the time service is reinstated: (1) all accrued and unpaid charges, and (2) a deposit per section 4.3 in order to reinstate service.

4.8 Right to Backbill for Improper Use of the Company's Services

Any person or entity which uses, appropriates or secures the use of services from the Company, whether directly or indirectly, in any unlawful manner or through the providing of any misleading or false information to the Company and which use, appropriation, or securing of services is inconsistent with the stated uses, intents, and purposes of this tariff or any restrictions, conditions, and limitations stated herein, shall be liable for an amount equal to the accrued and unpaid charges that would have been applicable to the use of the Company's services actually made by Customer.

4. Payment and Credit Regulations (Cont'd)**4.9 Disconnection and Reconnection Fees**

Whenever telephone service is denied or discontinued for violation of the Commission's rules and regulations, non-payment of bills, or fraudulent use of service, the Company may charge a fee not to exceed \$20.00 to disconnect and/or reconnect service.

5. Rates for Service**5.1 Types of Offerings****5.1.1 Description of Services**

The following Direct Dialed Intrastate Long Distance Message Telecommunications Services are available at the rates listed in 5.2:

- (a) Direct-Dialed LDMTS is a presubscribed switched access service, offering users outbound "1 plus" interexchange long distance telecommunications services from points originating and terminating throughout the State of South Dakota. Access may be provided by the Company, or the Customer may utilize local exchange Company access.
- (b) Residential 800/888 Service is a presubscribed switched access service, offering users inbound, toll free long distance telecommunications services from points originating and terminating within the State of South Dakota. This service enables the caller to contact the Customer toll free, through the use of a special "800" or "888" number. Access may be provided by the Company, or the Customer may utilize local exchange Company access.
- (c) Calling Card Service enables subscribers to place calls from locations other than their presubscribed call locations. Subscribers are billed on a monthly basis at the Company's tariffed rates.

5. Rates for Service (Cont'd)**5.1.1 Description of Services (Cont'd)**

- (c) Directory Assistance is provided by ALLTEL Communications, Inc.'s underlying carrier to subscribers of record. The Customer may access the underlying carrier's Directory Assistance by dialing the area code plus 555-1212. The Customer will be billed for such service by ALLTEL Communications, Inc.

5.1.2 Determination of Duration

- (a) For Direct Dialed calls, chargeable time begins when the connection is established between the calling station and the desired telephone.
- (b) Chargeable time ends when the connection is terminated.
- (c) Chargeable time does not include the time lost because of faults or defects in the service.

5.1.3 Determination of Time of Day

- (a) Peak, and Off Peak periods are determined by the local time of the location of the rate center of the calling service point. A rate period (e.g. 6:30AM-6:30PM) begins with the first stated hour (6:30AM) and continues to, but does not include, the second stated hour (6:30PM). Calls originating in one time period and terminating in another will be billed at the rate applicable for each period.
