Re: Inter-Tel NetSolutions, Inc.

Dear Ms. VanGerpen:

Please be advised that Inter-Tel NetSolutions, Inc. will be undergoing an indirect change of control. In connection therewith, we provide the following information:

**I. The Parties**

Inter-Tel NetSolutions, Inc. ("ITNS") is a Texas corporation whose principal offices are located at 4310 East Cotton Center Blvd., Suite A-100, Phoenix, Arizona 85040. Inter-Tel NetSolutions, Inc. is a wholly-owned subsidiary of Inter-Tel Incorporated, a publicly held Delaware corporation ("Inter-Tel"), whose principal offices are located at 1615 South 52<sup>nd</sup> Street, Tempe, Arizona 85281.

The Commission granted ITNS a Certificate of Authority to provide Interexchange Telecommunications Services in the State of South Dakota on March 7, 2003 in Docket No. TC02-120. ITNS is authorized to provide, and is currently providing, long distance service in all 50 states and the District of Columbia. ITNS is currently authorized to provide local exchange service in Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Florida, Georgia, Illinois, Indiana, Kansas, Kentucky, Maryland, Massachusetts, Michigan, Minnesota, Missouri, Nevada, New Jersey, New Mexico, New York, Oklahoma

Ohio, Oregon, Pennsylvania, Tennessee and Washington. Inter-Tel NetSolutions, Inc. has applications pending to provide local exchange service in North Carolina, South Carolina, Utah, and the District of Columbia; and also has authority to provide domestic interstate and international services pursuant to FCC rules and regulations. ITNS is in the process of obtaining all required approvals for the Merger from both the FCC and all applicable state regulatory authorities, and is filing all required notices.

Inter-Tel is a single-point-of-contact, full-service provider of IP and converged voice, video and data business communications platforms, multi-media contact center applications, remote-control software to provide real-time communications and instantaneous, browser-to-browser Web conferencing and help desk support solutions. Inter-Tel also provides a wide range of managed services, including voice and data network design and traffic provisioning, local and long distance calling services, custom application development, maintenance, leasing, and support services for its products. Inter-Tel's customers include business enterprises, government agencies and non-profit organizations. Inter-Tel was originally incorporated in Arizona in 1969 and was reincorporated in Delaware in 2006.

Mitel Networks Corporation ("Mitel"), a corporation organized and existing under the laws of Canada, is a leading provider of integrated communications solutions and services for business customers. Mitel's Internet Protocol, or IP, based communications solutions consist of a combination of telephony hardware products, such as communications platforms and desktop devices, and software applications that integrate voice, video and data communications with business applications and processes. Mitel complements its communications solutions with a range of services, including the design of communications networks, implementation, maintenance, training and support services. Mitel has been a leading vendor of business communications systems for over 25 years. Mitel offers packaged software applications that are designed to solve particular business communications challenges, including applications for contact centers, mobility, teleworking, messaging and collaboration. Mitel also develops solutions that focus on specific industries as well as custom software applications that address the needs of specific customers. Mitel's customers include prominent hotel chains, governmental agencies, retail chains and healthcare providers worldwide. Mitel operates from over 40 locations around the world and sells its communications solutions through a distribution network of over 1,400 channel partners that includes wholesale distributors, solutions providers,
