RE: Annual State Certification of Rate Comparability Review for Non-Rural
Carriers Serving in Rural Areas

Dear Ms. Dortch and Ms. Majcher:

The South Dakota Public Utilities Commission (SDPUC) hereby states that it has reviewed the comparability of residential rates in rural areas of South Dakota served by Qwest, a non-rural incumbent local exchange carrier, to rates nationwide. Pursuant to section 54.316, the SDPUC certifies that the rates are reasonably comparable based on the nationwide urban rate benchmark.

Should you have any questions, please do not hesitate to contact us for further information.

Sincerely,

Dustin M. Johnson
Chairman

Re: Certification of Support for Rural and Non-Rural High-Cost
Carriers Pursuant to 47 C.F.R. Sections 54.313-314,
CC Docket Nos. 96-45 and 00-256

Dear Ms. Dortch and Ms. Majcher:

The South Dakota Public Utilities Commission (SDPUC) hereby certifies that all federal high cost support provided to rural and non-rural carriers in this state will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended, consistent with section 254(e) of the Communications Act of 1934, as amended. This includes High Cost Loop (HCL) support, Local Switching Support (LSS), High Cost Model (HCM) support, and high cost support received pursuant to the purchase of exchanges.

Attached are lists of rural and non-rural carriers certified by the SDPUC pursuant to sections 54.313 and 54.314 of the FCC's rules (47 C.F.R. §§ 54.313, 54.314), which require states to establish an annual certification process for rural and non-rural carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC), if known.

Sincerely,

Dustin M. Johnson
Chairman

Gary Hanson
Commissioner

Steve Kolbeck
Commissioner

The Commission has granted certification to the following rural incumbent local exchange carriers and/or eligible telecommunications carriers:
