VIA Electronic Filing

South Dakota Public Utilities Commission
Patty Van Gerpen, Executive Director
Capitol Building, 1st floor
500 East Capitol Avenue
Pierre, SD 57501-5070

Dear Ms. Van Gerpen,

I am writing on behalf of Primus Telecommunications, Inc. ("Primus") to inform you that Primus no longer desires to post a bond as part of the conditions for its Certificate of Authority to conduct business as a telecommunications company and provide intrastate telecommunications services in the state of South Dakota (granted August 13, 1996, Docket No. TC96-044). As such, Primus is willing to assume the appropriate restrictions on its Certificate so that a bond will not be required.

If the Commission deems it appropriate, and grants the removal of the bond requirement, then Primus will update its price lists accordingly.

Please feel free to contact me directly at 703.394.4503 should you have any questions.

Best regards,
