Ron,

As we discussed, attached is the draft of the Transiting Transport Agreement that covers compensation for the transport being provided by Kennebec Telephone Company for Western Wireless' terminating traffic, via Qwest, to the Winner associated exchanges of Vivian Telephone Telephone Company.

Also as discussed, I will research the volumes of Western Wireless completing minutes that are being reported by Vivian Telephone Company to Kennebec Telephone Company and provide you with some of this data for your analysis.

Please contact me when you have had a chance to review the draft agreement.
