Re: TC08-122 CRST/Alltel Arbitration

Dear Ms. Van Gerpen:

Alltel and CRST have reached an agreement in the above docket to extend the deadline for the Commission's decision date in this arbitration proceeding. The remaining issues between the parties are limited, and both parties agreed to abandon the July 15th hearing date, which will enable the parties to confer on the remaining issues and determine if the remaining differences can be resolved, and if not, the best way to place the remaining issues before the Commission for hearing.

Accordingly, the parties have agreed that the Commission decision date will be treated as timely if rendered on or before October 1, 2009. If the Commission desires an additional filing beyond this Letter of Agreement concerning this issue, please let us know.

Very truly yours,
