**Re: Federal-State Joint Board on Universal Service, CC Docket No. 96-45,
Designation and Certification of Eligible Telecommunications Carriers**

Dear Ms. Dortch and Ms. Majcher:

Pursuant to section 214(e)(2) of the Communications Act of 1934, as amended and 47 C.F.R. section 54.210, the South Dakota Public Utilities Commission (SDPUC) has designated James Valley Wireless, LLC (JVW) as an eligible telecommunications carrier (ETC) for the Aberdeen exchange in South Dakota. In addition, the SDPUC has also certified that JVW is eligible to receive federal support as it states it will only use the support for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

JVW was designated as an ETC for the Aberdeen exchange which is a non-rural service area of Qwest Corporation. The SDPUC hereby states that JVW has been certified to receive support pursuant to 47 C.F.R. §§ 54.301, 54.305, 54.307 and/or 54.309, and/or part 36, subpart F. JVW has shown to the SDPUC that it will use all federal high-cost support provided to it only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 254(e) of the Act.

Enclosed is the SDPUC's Order granting ETC designation and certification to JWV. If you have any questions, please do not hesitate to contact us for further information.

Sincerely,
