SERVICE SUPPORT.)	

Knology of the Black Hills, LLC. (“Knology” or, “Company”), by and through the undersigned, files this Supplemental Two Year Plan with the South Dakota Public Utilities Commission (“the Commission”) in the above reference docket.

1. On June 1, 2009, Knology filed its request for certification regarding its use of federal universal service support.
2. ARSD 20:10:32:43.02 requires, among other things, that an applicant submit “. . . a two-year plan that describes with specificity proposed improvements or upgrades to the applicant’s network on a wire center-by-wire center basis. . . .”
3. Knology filed a Petition for Waiver of the two-year plan requirements under ARSD 20:10:32:56, which petition the Commission denied.
4. In light of the Commission’s denial of the Petition for Waiver, Knology submits the attached Confidential Two-Year plan for calendar years 2010 and 2011.
5. Knology respectfully requests that the Commission issue an appropriate certification to the FCC and USAC indicating that Knology of the Black Hills, LLC is in compliance with 47 U.S.C. § 254(e) and should receive all federal universal service support determined for distribution to the Company in 2010.

Dated this 21st day of August, 2009.

Respectfully submitted,

Kathryn E. Ford
