Re: REG-4123 - Lattice Incorporated Application for Authority to Provide Interexchange and Alternative Operator Services

Dear Ms. Van Gerpen:

This letter is submitted on behalf of Lattice Incorporated to modify the Company's request for authority in the above referenced proceeding. Lattice has determined that initially, it will not offer prepaid service or collect deposits or advance payments. These are not necessary for the service Lattice intends to offer. Therefore Lattice will not submit a bond or letter of credit at this time. If in the future, the Company revises its plans, it will submit one as required. Lattice requests that its application be process and approved accordingly.

Questions regarding this filing may be directed to me at (407) 740-3004.

Sincerely,

Robin Norton, Consultant to
Lattice Incorporated
