Ms. Patty Van Gerpen  
Executive Secretary  
South Dakota Public Utilities Commission  
State Capitol Building, 1st Floor  
500 East Capitol Avenue  
Pierre, South Dakota 57501

RE: 360networks (USA) inc. - Access Services Tariff, Advice Letter No. 2

Dear Ms. Van Gerpen:

Enclosed for filing with the South Dakota Public Utilities Commission are amended Sheets 1, 2, 4, 48 and 51 to 54, to 360networks (USA) inc.'s ("360") switched exchange access tariff, South Dakota P.S.C. Tariff No. 1, for incorporation into the Company's tariff.

With this filing, 360 1) amends per minute switched access rates to reflect incumbent local exchange carrier rate amendments; 2) removes the toll free database inquiry service descriptions and rates from its price list as the service has not been offered and will not be offered in the future; and 3) increases the manual primary interexchange carrier ("PIC") change charge and introduces an electronic PIC charge. The Company's new address is also reflected on the amended sheets. An effective date of November 10, 2009 is requested, more than thirty days following the issue date.

For purposes of this filing, 360 respectfully request waiver of ARSD 20:10:27:07 with regard to the submission of cost data in support of its switched access service. 360's proposed rates are directly benchmarked to corresponding Qwest Corporation switched exchange access rates, consistent with Commission policy. 360 understands that the Commission has granted such a waiver for other carriers that benchmark to the incumbent's switched access rates.

Ms. Patty Van Gerpen

SERVICE DESCRIPTIONS

3.1 Switched Access Services

Switched Access Service, which is available to Customers for their use in furnishing their services to End Users, provides a two-point communications path between a Customer's premises and an End User's premises. It provides for the use of common terminating, switching and trunking facilities and/or functionalities. Switched Access Service provides for the ability to originate calls from an End User's premises to a Customer's premises (or a collocated interconnection location), and to terminate calls from a Customer's premises (or a collocated interconnection location) to an End User's premises in the LATA where it is provided. Switched Access Service must be ordered or provided as an Incidental Service separately for each LATA in which the Customer desires to originate or terminate calls.

Switched Access Service is provided in the following service categories, which are differentiated by their technical characteristics and the manner in which an End User or Customer accesses them when originating or terminating calls.

Terminating Switched Access provides trunk side-equivalent access to the Company's Network for the Customer's use in originating and terminating communications.

(D)  
—  
(D)

Customer's or its End User's use of any Incidental Service shall constitute Customer's agreement to all of the terms and conditions of this Tariff. Services provided on an incidental basis (Incidental Services) are billed to Customer on a monthly basis in accordance with Customer's recorded usage for each Service and the corresponding rates contained in the Rates Section, below.
