Yes, I agree that it would be preferable to have this resolved at the same hearing. How about Friday? I could do 11 AM or anytime after 2:30 PM ET.

Thanks David. We would need to file a motion for protective order on any topics we don't agree on. I thought these should be dealt with in one hearing rather than two. Doing them separately would push everything back a couple more months.

Phil:

We will certainly abide by the designation as required by the protective order until such time as Sprint either removes it or the Commission has time to evaluate it.

With regard to the 30(b)(6) topics, my thought had been that a meet and confer may not be particularly productive until the Commission has time to evaluate the motion to compel that we are about to file as I assume that the outcome of that motion will materially impact the parties views on whether Sprint's objections have merit. Thus, we don't intend to proceed with the deposition until that motion is resolved. With this in mind, please let me know if you still want to schedule a meet and confer this week.

Thanks,
David

David, I have passed this onto Sprint. I doubt a meet and confer on our designation will be productive. I trust you will abide by the designation despite our objection.

We do need to discuss the Rule 30(b)(6) deposition topics you served last fall. If that is the list you intend to proceed on we should have a meet and confer on our objections to those and see if we can minimize disputes. I'm available all week.
