RE: Initial Access Services Tariff Filing

Dear Commission,

Digital Telecommunications Inc (DTI) is authorized to provide resale telecommunications services in the State of South Dakota. As such, DTI is submitting a tariff outlining regulations and charges for access services provided within South Dakota (South Dakota Tariff #1) to the SDPUC for Commission approval. As this is an initial filing, this tariff does not replace or modify any other tariff.

Please contact me with any questions/concerns you may have.

Sincerely,
