Low Income Assistance Available to Telephone Subscribers

In response to concerns about the affordability of telephone service for low-income citizens, Venture Communications is authorized to offer Lifeline and Link-Up to our customers. Lifeline and Link-Up are federal telephone assistance programs. To be eligible for either of these programs, the applicant must participate in at least one of the following public assistance programs: food stamps, federal public housing assistance, low-income home energy assistance, Medicaid, or supplemental security income (SSI).

To be eligible for the Enhanced Lifeline or the Enhanced Link-Up programs, the applicant must live on tribal land and participate in at least one of the following public assistance programs: food stamps, federal public housing assistance, Head Start (meeting income qualifying standards), low-income home energy assistance, Medicaid, national school lunch program's FREE lunch program, supplemental security income (SSI), tribally administered temporary assistance for needy families or Bureau of Indian Affairs (BIA) general assistance program.

Lifeline provides eligible subscribers with a credit of \$8.25 each month on the basic service portion of their telephone bill. The discount applies on the main home telephone line listed in the name of the eligible telephone company subscriber. Lifeline subscribers may also receive blocking of long distance calls on their telephone line at no charge. Link-Up provides eligible subscribers with reduced installation charges for their basic home telephone service. The reduction is 50% of the applicable charges of \$30, whichever is less. It does not cover the cost of wiring inside your home and is limited to one time per home address per subscriber. Enhanced Lifeline provides subscribers expanded eligibility opportunities and additional telephone service discounts. They may also receive long distance blocking on their telephone at no charge. Eligible subscribers for Enhanced Lifeline must live on Tribal Land. Enhanced Link-Up provides eligible subscribers with a reduction up to \$100 of charges for installation for basic home telephone service.

If you meet the eligibility requirements, you can obtain an application from our main office in Highmore or the office in Sisseton and return it to either location. You may also print off an application from our website at www.venturecomm.net. When you no longer participate in any of the qualifying public assistance programs, you are no longer eligible for Lifeline or Link-Up. You are obligated by law to notify Venture Communications and advise us of your ineligibility. If you have any questions about Lifeline or Link-Up, please contact us at 1-800-824-7282 for more information.
