

Exhibit J

Election of Reciprocal Compensation Option

The Parties have agreed to a Bill and Keep Arrangement for IntraMTA traffic. However, should the FCC take further action or a court of competent jurisdiction replaces, modifies or supersedes the applicable compensation rules or the traffic become out of balance, the compensation rate shall be based on the election made from this Exhibit J.

Pursuant to the election in this Exhibit J of this Agreement, the Parties agree to exchange IntraMTA traffic per section 6.3.5.4.

WSP must select either 1. OR 2.
