**RE: REVISED SERVICE TERRITORY FOR THE CITY OF  
BROOKINGS MUNICIPAL TELEPHONE, DBA., SWIFTEL COMMUNICATIONS**

Dear Ms. Van Gerpen:

Please consider this letter as an application for an amended Certificate of Authority for local exchange service pursuant to SDCL 49-31-69.

Enclosed is a Revised Franchise Service Territory Map reflecting the new telephone service territory as a result of annexation of land by the City of Brookings (See Attachment 1). Also enclosed is a copy of the City of Brookings Resolution No. 40-11 dated March 22, 2011. The resolution is executed by the Mayor of the City of Brookings and along with the Notice of Hearing and Petition for Annexation documents are included as Attachment 2 (1-5). The legal description of Resolution No 40-11 describes the area we wish to include in our Amended Certificate of Authority. A full range of local exchange services will be provided identical to the exchange services provided to all residents of the City of Brookings.

City of Brookings Municipal Telephone, d/b/a, Swiftel Communications, is making this request pursuant to SDCL 49-31-69 through 73. We are further requesting that the Public Utilities Commission waive Rules 20:10:32:03 (1-8); (10-22);and (24).

We would further advise that in the area annexed by Resolution No. 40-11 is undeveloped land and there are no customers being served by either Interstate Telecommunication Cooperative or Swiftel Communications.
