RE: 360networks (USA) inc. - Access Services Tariff, Advice Letter No. 3

Dear Ms. Van Gerpen:

Enclosed for filing with the South Dakota Public Utilities Commission are amended Sheets 2, 51, 52 and 54, to 360networks (USA) inc.'s ("360") switched exchange access tariff, South Dakota P.S.C. Tariff No. 1, for incorporation into the Company's tariff.

With this filing, 360 reintroduces a Toll Free Data Base Access Service. An effective date of June 6, 2011 is requested, more than thirty days following the issue date.

For purposes of this filing, 360 respectfully request waiver of ARSD 20:10:27:07 with regard to the submission of cost data in support of its switched access service. 360's proposed rates are directly benchmarked to corresponding Qwest Corporation switched exchange access rates as set forth in Qwest Corporation's South Dakota Access Tariff, consistent with Commission policy. 360 understands that the Commission has granted such a waiver for other carriers that benchmark to the incumbent's switched access rates.

Thank you for your attention to this matter. Questions may be directed to me.

Sincerely,

MILLER ISAR, INC.
