The company will be the initial point of contact for all IXC and operator calls billed through the LEC or via a credit card. Customers can contact the Company through the toll free customer service number [(888) 476 - 0881] which will be provided on the bill. The Customer Service Department will be open 24 hours per day, 7 days per week.

11. Information concerning how the Applicant plans to bill and collect charges from customers:

Customers of WiMacTel will receive bills via different methods. Long Distance customers (COPT owners) will be billed directly for their services by the Company. Operator Services from transient end user locations will be either billed through the End User's Credit Card or through the use of LEC billing, through a billing agent. In all cases WiMacTel will be identified as the billing and providing carrier for the services.

12. Information concerning the Applicant's policies relating to solicitation of new customers and a description of the efforts the Applicant shall use to prevent the unauthorized switching of interexchange customers.

WiMacTel utilizes a direct sales approach to its marketing efforts. The Company does not utilize any form of multilevel marketing in the sale of its services. The Company uses a written contract for all customers to prevent the unauthorized switching of local service customers.

13. Information concerning how the applicant will make available to any person information concerning the applicant's current rates, terms, and conditions for all of its telecommunications services.

WiMacTel's target market is the COPT. The only long distance service the company will offer is the direct dialed service offered from the pay telephone and will bill that service to the COPT owner. The owner will utilize this service for all direct dial traffic from the COPT and the owner will be compensated through the money the end user places in the phone. No end user will be billed directly by the Company.

14. Information concerning how the applicant will notify a customer of any materially adverse change to any rate, term, or condition of any telecommunications service being provided to the customer. The notification must be made at least thirty days in advance of the change.

WiMacTel's will provide End Users of the company's service the opportunity to get a rate quote prior to incurring any charges for all operator calls from the COPT locations. End Users will be prompted through location specific signage and voice prompts on the manner in which to receive a rate quote prior to completing the call and will be given the chance to end the call without incurring any charges.

15. A list of the states in which the applicant is registered or certified to provide telecommunications services, whether the applicant has ever been denied registration or certification in any state and the reasons for any such denial, a statement as to whether or not the applicant is in good standing with the appropriate regulatory agency in the states where it is registered or certified, and a detailed explanation of why the applicant is not in good standing in a given state, if applicable.

See Attachment V for a listing of the current certification status for WiMacTel, Inc.

16. **A description of how the Applicant intends to market its services, its target market, whether the Applicant engages in any multilevel marketing, and copies of any company brochures used to assist the sale of services.**

WiMacTel utilizes a direct sales approach in its marketing efforts to COPT providers. The Company does not utilize any form of multilevel marketing in the sale of its services.

17. **Federal tax identification number and South Dakota sales tax number.**

Federal Tax ID: 32-0309631 South Dakota Sales Tax No.: _____

18. **The number and nature of complaints filed against the applicant with any state or federal regulatory commission regarding the unauthorized switching of a customer's telecommunications provider and the act of charging customers for services that have not been ordered.**

WiMacTel, Inc. has never received a complaint in any state or at federal regulatory commission for the unauthorized switching of a telecommunications provider and the act of charging customers for services that have not been ordered.

19. **A written request for waiver of those rules the applicant believes to be inapplicable.**

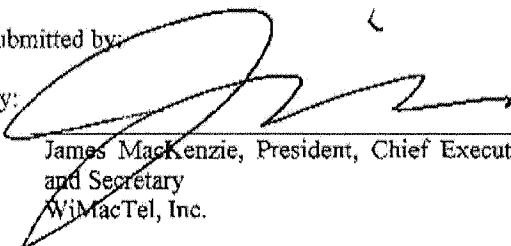

WiMacTel will not be collecting deposits for service within South Dakota so no surety bond is required.

20. **Other information requested by the commission needed to demonstrate that the applicant has sufficient technical, financial, and managerial capabilities to provide the interexchange services it intends to offer consistent with the requirements of this chapter and other applicable rules and laws.**

WiMacTel has experience operating as a telecommunications provider as provided in Attachment IV. WiMacTel will rely on its underlying carrier(s) for the operation and maintenance of the interexchange network WiMacTel will use as a switchless resale provider. The Company is technically, financially and managerially qualified (see Attachment V) to provide interexchange long distance and alternative operator services within South Dakota based on the Company's experience and manner of provision services.
