Key Team Members

Jack Dayan - CEO

Following the enactment of the Telecom Act of 1996, he moved into the telecommunications business and founded what is now known as Spectrotel. Under his leadership, Spectrotel has grown into a multimillion dollar corporation. Mr. Dayan also founded and operates several other enterprises including RazGate (2007), iManaged (2008), and most recently USA Gold Corp (2009). Previously, Mr. Dayan started his career leading the Asian division of a family enterprise in consumer electronics. He earned his bachelor of science degree in Finance from New York University's Stern School of Business in 1992.

Ross Artale – COO

Mr. Artale brought over 16 years of telecommunications experience when he joined Spectrotel as Vice President of Operations in 2007 and was later promoted to Chief Operating Officer. Mr. Artale has a successful track record of creating best in class service organizations. He began his career at Mobile Comm, a Bell South Company and then later took management positions at two start-up companies, Geotek and Prism Communications. In 2000, Mr. Artale moved to the role of Vice President, Customer Care for InfoHighway Communications, f/k/a Eureka Broadband Corporation where over the next seven years, he was part of the management team that grew the company from a small start up to a \$100 million corporation. At Spectrotel, he is responsible for managing and leading all day to day operations including, sales, sales operations, customer care, provisioning and engineering, quality assurance, regulatory, product management, and marketing.

Edward Kazar – CFO

Mr. Kazar joined Spectrotel as CFO in February 2009, and is responsible for executive management and oversight of Spectrotel's financial operations and human resources. He brings over 30 years of experience to the Spectrotel team and has had an extremely successful history of managing financial operations in several technology companies having held senior positions Lucent Technologies, Avaya, Infohighway Communications, and Teliris Telepresence. His expertise in working capital improvements and M&A events has driven revenue growth, profitability, and successful liquidity events. He was instrumental in the successful IPO debuts of both Lucent and Avaya. Mr. Kazar has a bachelor of science from the University of Dayton and earned an MBA from Seton Hall University.

Mitch Wright - CIO

As Chief Information Officer since 2002, Mr. Wright's responsibilities include corporate infrastructure, application development, billing operations, and revenue assurance. His 19 years of experience in telecommunications and information technology include executive positions at Global Crossing, AT&T and Qwest (formerly US West). He has been the billing committee co-chair of the OBF (Ordering and Billing Forum), a national collective of industry experts who address access and interconnection issues as well as chair of Telecordia's Technical Review Group, responsible for the development of Carrier Access Billing Specifications (CABS). Mr. Wright is currently a member of the B/OSS Live! Conference and Businessplex advisory board. He has a bachelor of science degree in computer science from North Dakota State University.
