RE: Silv Communication Inc., Request for Service Withdrawal, TC07-098

Dear Ms. Van Gerpen:

Silv Communication Inc. ("Silv"), by its regulatory consultants, hereby requests authority to withdraw from the provision of telecommunications services in the State of South Dakota and cancellation of its Certificate of Public Convenience and Necessity granted in Docket No. TC07-098. In support of its request, Silv states as follows.

On October 17, 2007, Silv was granted a Certificate of Public Convenience and Necessity ("CPCN") in the above-referenced proceeding to provide non-facilities-based, resold interexchange telecommunications services in the State of South Dakota. Silv had sought such authority as part of its nationwide service strategy. Though Silv has held a CPCN in South Dakota since late 2007 and complied with all applicable reporting obligations, the Company does not now, nor has it in the past, served subscribers located in the State of South Dakota. No members of the public in South Dakota are affected by Silv's request for service withdrawal and CPCN cancellation.

Silv has subsequently determined to focus its strategy on a limited number of states. On this basis, Silv requests authority to withdraw from the provision of interexchange telecommunications services in South Dakota and that its CPCN be cancelled as soon as practicable. Silv avers to complete all remaining reporting applicable to calendar year 2010 and to pay any regulatory fees that may be due to the South Dakota Public Utilities Commission as applicable.

Thank you for your attention to this matter. Questions regarding this filing may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
