You currently participate in Midstate Communications' Lifeline assistance program. Federal Communications Commission guidelines require telephone companies like ours to annually verify a sample of Lifeline customers' continued eligibility. If you are still eligible for Lifeline assistance, please complete the enclosed application and provide supporting documentation (such as a copy of your Medicaid card) to us by April 25, 2011.

Lifeline assistance is available to participants in one or more of the following programs: Medicaid; Food Stamps; Supplemental Security Income (SSI); Federal Public Housing Assistance; Low Income Housing Energy Assistance; Temporary Aid to Needy Families (TANF); or the National School Lunch (NSL) free lunch program. Individuals whose household income is at or below 135 percent of the Federal Poverty Guidelines are also eligible for Lifeline assistance.

Documentation of income eligibility includes the previous year's state or federal tax return, a current income statement from an employer or paycheck stub, a Social Security statement of benefits, or other such official documents. If your documentation does not cover an entire year, please provide three consecutive month's worth of the same type of document. Please note that income is all income actually received by all members of the household. Income includes salary before deductions for taxes, public assistance benefits, Social Security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts and lottery winnings. The only exceptions are student financial aid, military housing and cost-of-living allowances and irregular income from occasional small jobs such as baby-sitting or lawn mowing.

If you qualify based on household income or by participating in one of the programs listed above, please drop the application and appropriate documentation off at either our Kimball or Chamberlain office or you may mail them back to us in the enclosed return envelope. If we do not receive your recertification paperwork back by April 25, 2011, you may be removed from the Lifeline/Link Up program.

Please feel free to call us at 778-6221 or 234-8000 with any questions you may have regarding the application or the Lifeline program.

Sincerely,

Midstate Communications/Midstate Telecom
