

EXHIBIT F

Financial Statements

[CONFIDENTIAL - FILED UNDER SEAL]

Please note that the document provided in Exhibit F is proprietary and confidential as it contains sensitive financial information. Unrestricted availability of this document would provide competitors with key knowledge regarding Applicant's finances and business that would otherwise be unavailable and could place Applicant at a significant competitive disadvantage. Confidential treatment of the information contained in Exhibit F is therefore required to avoid commercial and competitive injury. Accordingly, Exhibit F is being E-filed as a separate document labeled "Confidential."
