RE: Northern Valley Communications, LLC (NVC), Revised Intrastate Switched Access Rates

Dear Ms. Van Gerpen,

Attached for electronic filing, on behalf of NVC, are revised tariff pages to NVC's Intrastate Switched Access Services Tariff No. 1 in order to implement the Federal Communications Commission's (FCC), November 18, 2011, Intercarrier Compensation Reform Order. NVC submits the following information in support of this filing:

1. Attachment A – Purpose, Description, and Methodology of Filing
2. Confidential Attachment B – Intrastate Transitional Access Rate Calculation Worksheet

NVC considers the information contained in Confidential Attachment B to be highly proprietary and confidential, as the worksheet contains details about NVC revenues and traffic volumes in South Dakota, which, if provided publicly, would cause competitive harm. Accordingly, pursuant to ARSD 20:10:01:39 (4) and SDCL 37-29-1 (4), NVC requests that Confidential Attachment B be treated as confidential for as long as the information is held by the Commission.

NVC respectfully requests that the proposed changes become effective July 3, 2012.

If you have any questions, please feel free to contact me at (888) 919-8945.

Sincerely,

A handwritten signature in black ink that reads "James Groft".
