RE: Northern Valley Communications, LLC (NVC), Withdraw Request for TC12-094

Dear Ms. Van Gerpen,

This letter is to request a withdrawal of the original intrastate switched access transitional rate filing and revised tariff pages for NVC filed on June 11, 2012 due to the revised confidential recalculation of transitional rates in Confidential Attachment B Amended on July 20, 2012 for TC12-094. The recalculation utilizes the switched access rates that were in effect on December 29, 2011 per the Federal Communications Commission's (FCC), November 18, 2011, Intercarrier Compensation Reform Order and new rule 47 CFR 51.911(b).

NVC respectfully requests that TC12-094 be withdrawn and no longer requests the revisions to become effective July 3, 2012. Upon further review with Commission staff of the new FCC rule above, there are no necessary revisions to NVC's Intrastate Switched Access Services Tariff No. 1 at this time. Therefore, we hereby request that the filing be withdrawn and the docket be closed.

If you have any questions, please feel free to contact me at (800) 556-6525.

Sincerely,

A handwritten signature in black ink that reads 'James Groft'.
