RE: dishNET Wireline L.L.C., Tariff Advice Letter No. 6

Dear Ms. Van Gerpen:

Enclosed for filing with the South Dakota Public Utilities Commission (“Commission”) are amended sheet numbers 2, 6, 7, 32 to 34 and 37 to dishNET Wireline L.L.C.’s (“dishNET”) switched exchange access tariff, South Dakota P.S.C. Tariff No. 2, for incorporation into the Company’s Tariff.

With this submission, dishNET reduces its terminating switched exchange access rates by fifty percent of the differential between the Company’s current intrastate composite switched access rate and corresponding interstate composite rate as set forth in dishNET’s F.C.C. Tariff No. 1,¹ pursuant to the Federal Communications Commission’s (“FCC”) November 18, 2012 *Report and Order and Further Notice of Proposed Rulemaking*, in Docket Nos. WC Docket No. 10-90, *et al.*, FCC 11-161 (“ICC/USF Transformational Order”). The Company also introduces separate originating switched exchange access rate that mirrors its existing switched exchange access rate, adds a Shared Port access component description, adds definitions for clarity, and removes the definition of individual case basis, which does not apply to the tariff. The Company seeks an effective date of July 3, 2012 pursuant the FCC's June 5, 2012 Clarification Order, DA 12-870.

For purposes of this filing, dishNET requests waiver of ARSD 20:10:27:07 with regard to the submission of cost data in support of its rates, as this filing is an ICC/USF Transformational Order compliance filing.

¹ The Company’s Tariff F.C.C. No. 1 may be viewed at <http://www.dishnetwireline.com/regulatory/>.
