Subject: TC12-117 - Budget PrePay, Inc. dba Budget Phone Access changes - South Dakota

Mr. Forte:

Following are questions of Commission staff regarding the above filing.

1. Please provide Budget Phone's interstate access tariff sheets which are the basis for the new intrastate rates proposed in this filing. If the proposed rates are not directly taken from the interstate tariff sheets, please provide a worksheet showing how the intrastate rates are derived from the interstate rates.
2. Please formally submit a request for waiver of the specific provisions in rules ARSD 20:10:29:10, 20:10:29:12 and 20:10:29:16 that specify "the per minute charge is equal for both originating and terminating traffic."

Thank you,

Dave Jacobson
