**ORDER**

**Adopted: November 16, 2012**

**Released: November 16, 2012**

By the Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

1. In this order, we approve the requests of Verizon Wireless and Alltel Communications, LLC (Alltel) (collectively, Verizon Wireless), to relinquish eligible telecommunications carrier (ETC) designations in Alabama, Florida, Georgia, North Carolina and Virginia, effective December 31, 2012.<sup>1</sup>

---

<sup>1</sup> See Notice of Relinquishment of Eligible Telecommunications Carrier Designations on behalf of Verizon Wireless, CC Docket No. 96-45 (filed Sept. 21, 2012) (Verizon Wireless Relinquishment Notice).

2. Section 214(e)(6) of the Communications Act of 1934, as amended (the Act), authorizes the Federal Communications Commission to designate a carrier as an ETC when a state commission lacks jurisdiction.<sup>2</sup> Section 214(e)(4) of the Act provides that the Commission shall permit an ETC to relinquish its designation “in any area served by more than one” ETC so long as “the remaining [ETCs] ensure that all customers served by the relinquishing carrier will continue to be served.”<sup>3</sup>

3. In separate decisions in 2002 and 2004, the Wireline Competition Bureau designated as ETCs Alltel, Virginia Cellular, LLC and RCC Minnesota, Inc.<sup>4</sup> Subsequently, through a series of transactions, Verizon Wireless acquired control of Alltel and its subsidiaries and affiliates, including Virginia Cellular, LLC, as well as RCC Minnesota, Inc. and its subsidiaries and affiliates.<sup>5</sup> As a condition of its transaction with Alltel, Verizon Wireless agreed to phase out its federal high-cost universal service support in five equal increments beginning in January 2009.<sup>6</sup> In 2010, the Commission provided Verizon Wireless with instructions on how to implement the merger condition to phase-out its high-cost universal service support, including relinquishment of ETC status.<sup>7</sup>

<sup>7</sup> See *High-Cost Universal Service Support; Federal-State Joint Board on Universal Service; Request for Review of Decision of Universal Service Administrator by Corr Wireless Communications, LLC*, WC Docket No. 05-337, CC Docket No. 96-45, Order and Notice of Proposed Rulemaking, 25 FCC Red 12854, 12860-61, para. 16 n.39 (2010) (*Corr Wireless Order*); see also *Connect America Fund et al.*, WC Docket No. 10-90 et al., Order, 27 FCC Red 2142, 2145, para. 7 (Wireline Comp. Bur. 2012) (*USF/ICC Second Clarification Order*) (clarifying how Verizon Wireless will receive support in 2012).

4. Pursuant to section 214(e) of the Act, Verizon Wireless filed notice of its intent to relinquish the ETC designations it holds in Alabama, Florida, Georgia, North Carolina, and Virginia.<sup>8</sup> Verizon Wireless is relinquishing its ETC designations because, pursuant to the commitments it made in the *Verizon Wireless Merger Order*, its universal service support will be eliminated at the end of 2012.<sup>9</sup> In its filing, Verizon Wireless demonstrates that various carriers are designated as ETCs in the areas in which it seeks to relinquish its designations.<sup>10</sup> Verizon Wireless also indicates that it will continue to offer service as a non-ETC in these areas.<sup>11</sup> Finally, Verizon Wireless has indicated that it will provide written notice to each of its current Lifeline customers, advising the customer that while the company will discontinue providing Lifeline service, Lifeline discounts may be obtained from another ETC.<sup>12</sup> Verizon Wireless also voluntarily commits to providing existing Lifeline customers who choose to continue as Verizon Wireless subscribers with an equivalent carrier-provided discount on existing Lifeline service plans through December 31, 2013.<sup>13</sup> Based on these circumstances, we conclude that Verizon Wireless's request is consistent with the phase-out obligations adopted by the Commission.<sup>14</sup> We therefore find it appropriate to grant Verizon Wireless's request to relinquish its designations in Alabama, Florida, Georgia, North Carolina, and Virginia.

5. Accordingly, IT IS ORDERED that, pursuant to the authority contained in section 214(e)(4) of the Communications Act of 1934, as amended, 47 U.S.C. § 214(e)(4), and the authority delegated in sections 0.91 and 0.291 of the Commission's Rules, 47 C.F.R. §§ 0.91, 0.291, the ETC designations of Verizon Wireless in Alabama, Florida, Georgia, North Carolina, and Virginia ARE RELINQUISHED, effective December 31, 2012.<sup>15</sup>

6. IT IS FURTHER ORDERED that, Verizon Wireless SHALL TRANSMIT a copy of this order to the Alabama Public Service Commission, the Florida Public Service Commission, the Georgia Public Service Commission, the North Carolina Utilities Commission, the Virginia State Corporation Commission, and the Universal Service Administrative Company.
