Subject: RE: Letter regarding wireless resale services

Cindy,

The letter states TDS Long Distance Corp. would like to surrender the wireless service registration. The Company would like to keep telecommunication service registration (to provide IXC service.)

Subject: Letter regarding wireless resale services

I work for the South Dakota Public Utilities Commission. We received a letter today stating that you would like to surrender TDS' registration to provide telecommunications service within the State of South Dakota. I just want to verify with you that you would like to cancel TDS Long Distance Corporation's certificate of authority within the State of South Dakota as well as not providing wireless service within the state?

Thanks for your help!
