RE: Update to Annual Reporting Requirement - Pursuant to 47 CFR Section 54.304

Dear Ms. Van Gerpen:

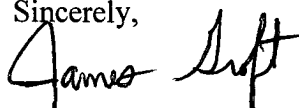

This letter and the attachments are being filed to update the certification that James Valley Telecommunication ("Company") filed on June 29, 2012 regarding meeting the reporting requirements of 47 C.F.R. §54.304 and other FCC rules (including, but not limited to 47 C.F.R. §51.917) and related requirements in the Federal Communications Commission's ("FCC"), November 18, 2011, USF-ICC Reform/Transformation Order ("USF-ICC").

The Company certified in the filing that it is eligible to receive and has elected to receive CAF ICC Support. The Company has already, via NECA, certified its eligibility and election decision to the FCC and USAC, however it submitted a letter and attachments to the South Dakota Public Utilities Commission (SDPUC) in compliance with the FCC Requirements. Last week, NECA revised the filing of the Company's access recovery charge (ARC) data, therefore the Company is filing the updated information with the SDPUC. The updated ARC information becomes effective on July 20, 2012.

Attached is the updated NECA tariff page and copies of the updated certifications regarding CAF that have been filed with the proper authorities and are being submitted to the SDPUC for the Company's file. The Company is also providing confidential information that NECA filed on the Company's behalf to the proper agencies. The Company requests confidential treatment of this documentation which has been labeled accordingly. The pages contain proprietary and confidential information of the Company and should be treated as such. The Company considers the information contained in Confidential NECA CAF Updated Filing to be highly proprietary and confidential. Accordingly, pursuant to ARSD 20:10:01:39 (4) and SDCL 37-29-1 (4), the Company requests that Confidential NECA CAF Updated Filing be treated as confidential for as long as the information is held by the Commission.

The Company will provide additional information, if requested, by the SDPUC. If there are any questions or additional information needed regarding this filing, please contact me at (800) 556-6525.

Sincerely,

James Groft, General Manager
James Valley Telecommunications
