Lifeline/Link-Up Notice

Verizon Wireless customers may be eligible to receive a discount on their monthly wireless service under the Federal Lifeline and Link Up programs. Customers who qualify will save at least \$8.25 per month off the monthly access for Lifeline service. Activation fees may also be reduced if you qualify for Link Up assistance. If you live on federally recognized Tribal lands, you may qualify for additional discounts, which can reduce your wireless bill to as little as \$1 per month. You may be eligible for Lifeline and Link Up assistance if you currently participate in a qualifying public assistance program or otherwise satisfy federal or state income requirements. These requirements vary by state. Lifeline benefits are limited to a single line of service. You may not apply for multiple Lifeline discounts and must choose to apply your single Lifeline discount to either one landline or one wireless number, but not both. Please note that other service providers may use terms other than "Lifeline" to describe the Lifeline assistance program. Verizon Wireless only offers Lifeline/Link Up assistance in limited areas in each state. To receive further information about the Lifeline and Link Up program or to check eligibility requirements for your state, call Verizon Wireless at 800-924-0585 or go to verizonwireless.com/lifeline.
